

Two Car Loads of Gas Stoves and Water Heaters on the Way

Which we will install in the homes of this city absolutely without cost to the user.

All we ask is that you agree to make use of one of these convenient appliances.

It is yours as long as you use gas.

With our reduced gas rate and this liberal offer no family in Eugene can afford to be without gas for cooking and heating.

Don't Miss This Opportunity

Get your orders in before they are all taken. Phone 28 and ask the New Business Department to call and take your application.

Oregon Power Co.
