HERBINE

is an Effective Liver Tonic and Bowel Regulator.

Its powerful reviving influence on the torpid liver brings on an immediate improvement. You feel better at once. The bowels move freely so that the impurities which have clogged the digestive organs find an outlet. When the system has been thus purified, the bilious, half sick feeling disappears, a complexion clears, the eyes become sweet, the mind alert and cheerful and there is a fine feeling of exhilaration all through the body.
