DANGER!

When you see the danger signal, ACT PROMPTLY!

A pair of good eyes may grow constantly stronger and keener in hard and continuous work, and retain their vigor as long, if not longer, than any other organ of the body. But when one discerns a hint of dimness, a tired feeling, and ache in the eyeballs, or repeating headaches, then glasses may be of great service in preventing serious trouble. Only be sure you begin with the right glasses. It is my business to furnish you that.

MY
DAUGHTER
WAS CUREDBy Lydia E. Pinkham's
Vegetable Compound

Baltimore, Md.—"I send you here with the picture of my fifteen year old daughter Alice, who was restored to health by Lydia E. Pinkham's Vegetable Compound. She was pale, with dark circles under her eyes, weak and irritable. Two different doctors treated her and called it Green Sickness, but she grew worse all the time. Lydia E. Pinkham's Vegetable Compound was recommended, and after taking three bottles she has regained her health, thanks to your medicine. I can recommend it for all female troubles."—Mrs. L. A. CORRIAN, 1103 Rutland Street, Baltimore, Md.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for them have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.
