## FIVE COTTAGE GROVE TEACHERS RESIGN

Five of the teachers elected at Cottage Grove, all of whom taught last year, have tendered their resignations to the school board of that place. They are Miss Robinson, of Elkton, who will probably accept a position in the Roseburg schools; Miss Eunice Van Denburg of this city; Miss Ethel Moore of Siuslaw; Miss Myrtle Purvance of Cottage Grove and Miss Katie Wilson of Michigan. There are a large number of applications for the positions, and it is probable that a special meeting of the board will be held prior to the regular school meeting on June 19, when the vacancies will be filled.—Leader.

## NERVES OF STEEL SAVE HIM FROM SNAKE FANGS

New York, June 7.—With "nerves like steel," might well be applied to George Palmer, assistant keeper of reptiles in the Bronx Zoological Gardens, who is being congratulated today by his friends upon his narrow escape from death yesterday. Palmer posed as stiff and rigid as a statue when a diamond black rattlesnake dropped on his arm as he opened the rattler's den.

Palmer kept his nerve until the rattler crawled up his arm, past his cheek and dropped off down his back to the ground. Then he moved lively. The slightest tremor would have resulted in a lightning like death of the poison fangs.

## NEWBRO'S HERPICIDE Did Not Disappoint.

Don't become discouraged simply because your hair falls and is thin, weak and wispy, until you have tried Herpicide. "I first began to use Newbro's Herpicide three years ago, after a spell of fever, which caused me to become almost bald. Herpicide soon restored the quantity and natural color of my hair. I feel lost without a bottle of Herpicide in the house." Thus Mrs. Anna C. Layn, 821 Second Ave., Louisville, Ky., tells in their own words how she lost her hair and how she got it back. Mrs. Layn's experience has been duplicated a thousand times and can be repeated thousands more.

Newbro's Herpicide keeps the hair and scalp in a perfectly healthy condition. When the hair pupilla has not been destroyed by the ravages of the dandruff germ, the hair will resume its suspended growth.

Newbro's Herpicide kills the dandruff germ and checks falling hair. The itching of the scalp is almost instantly. Others imitate and make similar claims, but the original dandruff germ destroyer is Herpicide.

Applications of this wonderful remedy may be obtained at any good barber shop.

Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R, Detroit, Mich.

W. A. Kuykendall is Special Agent and guarantees one dollar size bottles.

## POLICE SET DOGS UPON MAN WHO SLAYS HIS WIFE

Halle, Saxony, June 7.—A painter named Heitel today entered the house where his wife, with whom he had quarreled, was sheltered by a woman friend, and shot both the woman and the infant child. Then he barricaded the house and stood off police for three hours. Finally the officers forced open the door and lot in a pack of savage dogs, whereupon the painter killed himself.

## A HEALTHY, HAPPY OLD AGE

May be promoted by those who gently cleanse the system, now and then, when in need of a laxative remedy, by taking a desertspoonful of the ever refreshing, wholesome and truly beneficial Syrup of Figs and Elixir of Senna, which is the only family laxative generally approved by the most eminent physicians, because it acts in a natural, strengthening way and warms and tones up the internal organs without weakening them. It is equally beneficial for the very young and the middle aged, as it is always efficient and free from all harmful ingredients. To get its beneficial effects it is always necessary to buy the genuine, bearing the name of the Company—California Fig Syrup Co.—plainly printed on the front of every package.

OF WHUNT USE IS IT TO ANYONE?

Thousands of people throughout America are murdering their own stomach, the best friend they have, and in their sublime ignorance they think they are putting aside the laws of nature.

This is no sensational statement; it is a startling fact, the truth of which any honorable physician will not deny.

These thousands of people are swallowing daily huge quantities of peppin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

In other words, they are taking from the stomach the work that nature in tended it should do, and are also refusing it the only chance for exercise it has. MI-O-NA stomach tablets relieve distressed stomach in five minutes. Taken regularly for a few weeks they build up the stomach and make it strong enough to digest its own food. Then indigestion, belching, sour stomach, headache and stomach misery go.

MI-O-NA stomach tablets are sold by the Red Cross Pharmacy and leading druggists everywhere at 50 cents a large box and are guaranteed to cure all stomach distress or money back.

Don't forget to pay your gas and electric bills before the 10th of the month and receive the discount. m9
