### W. O. W. LODGE IS ORGANIZING IN CITY OF FLORENCE

#### F. J. Bartels Consul Command—Two People Hurt in Runaway Accident

W. O. Zelger, formerly a hotel-keeper of Eugene but now a traveling salesman for a Portland house was in Florence last Sunday for a few hours.

Marguerite Hurd, who has been studying music at the State University, returned from Eugene Tuesday morning.

Boring & Fisk received a dynamo and other fixtures for an electric light plant for their moving picture show, a few days ago. The motive power will be furnished by a gasoline engine. The proprietors have been to considerable trouble and expense in fitting up their lights and machinery and they are determined to make it a success.

The annual school meeting for Florence district was held at the school house Monday evening. About a dozen voters were present. Minutes of the last regular and special meetings were read and approved. For director to serve three years, G. W. Evans and John H. Morris were nominated. Evans received eight votes and Morris two. Evans was declared elected. D. E. Severy was re-elected clerk without opposition.

**Re-surveying Additions.**  
A party of students from the University of Oregon arrived here the first of the week from Eugene and are at work making a re-survey of some of the additions to the town-site of Florence. These additions were platted many years ago and stakes set at that time have disappeared making it difficult to find the boundaries of the lots. By making a careful survey now and marking the lots and blocks properly, much difficulty and expense can be avoided for future years.

#### Runaway Accident.

Mrs. Marion Gibbs and John Goodlin were hurt last Sunday in a runaway accident. They were on their way from the Gibbs ranch on Whohink Lake to South Slough in a wagon, when near the Stanwood place the horses became frightened and ran away. Mrs. Gibbs was thrown out of the wagon, catching her foot in a wheel and breaking some of the bones in her foot. Besides bruising her about the head, Mr. Goodlin was also thrown out and his collar bone broken.

#### Not Money Enough.

For some time past Mr. and Mrs. Helle, of North Fork have been expecting Mrs. Helle's parents to arrive here from Finland to make their home with their daughter. It was known they had started but, though several messages had been sent, nothing was heard from the old people till last Tuesday, when a telegram was received stating that they had been turned back at New York after waiting three weeks, being denied a landing because they did not have enough money with

### Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

Its wonderful popularity, however, has led unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package of the genuine Syrup of Figs and Elixir of Senna.

For sale by all leading druggists. Price 50 cents per bottle.

them. Mr. Helle at once telegraphed to them hoping to intercept the vessel at one of the ports in England and sending them enough funds to insure their admission to this country.

#### Woodman Lodge Organized.

A meeting was held in the Odd Fellows' hall Tuesday evening to take steps to organize a camp of Woodmen of the World in Florence.

Officers were elected to serve for the first six months, and another meeting will be held June 30, at which time the camp will be formally instituted. A team from Cottage Grove camp is expected to be here at that time and assist in the work. They will bring their goat with them and show the new members how to mount the animal and give them some instructions about retaining their seat if "billy" happens to be in a capricious mood.

The following are the officers chosen for the first term: Consul commander, F. J. Bartels; lieutenant, J. W. Bergman; banker, J. L. Sanborn; escort, F. P. Haslett; warden, Ralph Lloyd; sentry, Roy Lowe; past consul, W. L. Karr; managers, C. F. Bergman, L. R. Austin and W. F. Saffley; medical examiner, Dr. George P. Edwards.—Florence West.

#### THE HERPICIDE GIRL.

##### Advices Gentlemen.

At Mrs. Blank's reception I met a gentleman who fulfilled my ideal of a man in all but one particular. He had a good head, fine physique, perfect manners, was most interesting personality, and bore himself with the distinguished air of a gentleman. His linen was immaculate and his clothes faultless as to cut and material. But all the pleasant first impression was ruined when I discovered the collar and shoulders of his dresscoat covered with loose hair and flakes of dandruff.

To me this was an indication of personal carelessness, not to say uncleanliness. I wanted to tell him to get a bottle of Newbro's Herpicide. This remarkable remedy would, in a short time remove every trace of dandruff from his head, stop his hair from falling and prevent him from becoming bald. I don't like bald-headed men; they look old whether they are or not.

Dandruff is caused by a germ and Newbro's Herpicide kills that germ. The itching, which is so frightful with dandruff, stops almost instantly.

Herpicide is the Original Remedy, that destroys dandruff. There is nothing in the world just like it, nothing that is "just as good."

One Dollar Size Bottles are guaranteed by all druggists to give satisfaction.

Applications obtained at the good barber shops. Send 10c in postage for a sample bottle and booklet to The Herpicide Co., Dept. R., Detroit, Mich.
