"What a Relief!"

Only the woman who has tried knows what comfort and relief a New Perfection Oil Cook-stove brings into the kitchen.

It is not only that the New Perfection cooks so well. It saves so much work in other ways. There are no ashes to clean up before going to bed; no fire to bank for the night. Everything is ready for cooking in the morning at a touch of a match.

You are saved from an overheated kitchen; saved from soot and dirt; saved from chopping wood and carrying coal. In the kitchen or the laundry, for the lightest or the most elaborate meal, you will find the New Perfection stove with the New Perfection oven is the best and most convenient.

**New Perfection
Oil Cook-stove**

Made with 1, 2 and 3 burners, with hot, top-down, gas, chimney, etc. The 2 and 3 burner stoves can be had with or without a cabinet top, which is fitted with deep shelves, iron racks, etc. (The 1 burner stove is not fitted with a cabinet top.) Write for descriptive circular to the nearest agency or dealer.

Metallus Central Oregonian: The most inspiring panorama in Oregon has been transferred upon plaster in the waiting room of the Hotel Metallus by Nelson J. Craigue, the local artist. It is a reproduction of nearly all the beautiful scenery surrounding Metallus.

Mr. and Mrs. L. Roden of Marcola went to Newport today for an outing.

Madras Pioneer: The gasoline engine and pump for the city water works will be installed within the next few days. Deepening the well will continue as soon as the machinery is in operation to keep the water pumped up. According to the Silverton Appeal there are more trout this year in Silver Creek and the Albion than for several years past, due to the prohibition of the use of flood dams.
