

A Year of Great Improvement

This has been a year of unusual and heavy expense with the Oregon Power Company.

Wide extension of electric distributing lines, increase of electric generating capacity, extension of gas mains and improvement at the gas works, all have made combined attack on our resources.

The money has been invested to properly serve a first-class city with a first-class future.

The facts stated, however, make it particularly desirable that bills for electric and gas service should be paid on or before the 10th day of the month.

Prompt collections enable the prompt meeting of OUR OWN MONTHLY OBLIGATIONS.

We make prompt payment worth your while by giving a discount of 10 per cent if bills are paid on or before the 10th of the month.

Honest Medicines Versus Fakes.

President Taft's recent message suggesting an amendment to the Pure Food and Drugs law in relation to Prepared Medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley's Kidney Pills, both of which are time medicines carefully compounded of ingredients whose medicinal qualities are recognized by the medical profession itself as the best known remedial agents for the diseases they are intended to counteract. For over three decades Foley's Honey and Tar Compound has been a standard remedy for coughs, colds and affections of the throat, chest and lungs for children and for grown persons, and it retains today its pre-eminence above all other preparations of its kind. Foley's Kidney Pills are equally effective and meritorious. Sold by all druggists.

JUNCTION CITY VOTERS DEFEAT BONDS FOR IMPROVEMENT

The proposition submitted by the city council authorizing the issuing improvement bonds not exceeding the sum of seventeen thousand dollars, was defeated at the special election Monday, together with the sewer proposition. The amendment authorizing the city to sell real estate carried.

Sunday is a noisy day in this man's town compared with the Fourth. Business houses were closed and the town was completely deserted. Had a fire started, volunteers would have been mighty scarce. Everything on wheels was in commission and the ones delaying in securing a team, had either to walk or remain at home, unless they went either to Eugene or Harrisburg.

Harvey, the 11-year-old son of A. P. Warner, met with quite a severe accident Sunday. He was shooting fire crackers, the penny fellows, and one that failed to go off, he picked up and it exploded in his hand. The flesh was torn from the middle finger and thumb making a very painful wound.

Mrs. Granville Harvey left Thursday for Missouri, in response to a telegram announcing the serious illness of her mother. The telegram stated that if she expected to see her mother alive, to come at once.

E. U. Lee brought his family down from Eugene Sunday in his new Ford car, and spent the day with home folks.—Times.

A HEALTHY, HAPPY OLD AGE

May be promoted by those who gently cleanse the system, now and then, when in need of a laxative remedy, by taking a desertspoonful of the ever refreshing, wholesome and truly beneficial Syrup of Figs and Elixir of Senna, which is the only family laxative generally approved by the most eminent physicians, because it acts in a natural, strengthening way and warms and tones up the internal organs without weakening them. It is equally beneficial for the very young and the middle aged, as it is always efficient and free from all harmful ingredients. To get its beneficial effects it is always necessary to buy the genuine, bearing the name of the Company—California Fig Syrup Co.—plainly printed on the front of every package.

END BOWEL MISERY WITH A 'CASCARET'

Never Any Headache, Bloating, Indigestion, or Constipation—No More Miserable Days After This.

This is the day of the gentle in medicine. The cathartic pill is old-fashioned. Salts and castor oil belong to grandmother's time. The modern doctor deals mildly. Cascarets are effective, yet gentle. They don't irritate or gripe. They don't, like cathartics, waste the digestive fluids.

Cascarets do only what some foods will do, what some fruits will do, what exercise does for the bowels. Their action is natural, not artificial. If you live outdoors, exercise a great deal, and avoid rich foods, you don't need them. Otherwise you do.

The most helpful laxative ever devised is Cascarets. They are candy tablets, pleasant to take. Then, they are convenient. The ten-cent box fits the vest pocket or the lady's purse. That is a vital point. The time to take a laxative is the minute you suspect that you need it. Don't wait till you get home; don't wait till night. One Cascaret, taken any time, makes you feel great and they cost only 10c per box.

Mrs. Simmons just received another lot of these guaranteed willows, \$1.50 each; you can crack them like a whip.

FAIRMOUNT

Mr. Furrow, of Pleasant Hill, is enlarging a house near the garage building on East Eleventh street.

Rev. George W. Morgan has been called to the pastorate of the Fairmount Christian church, to succeed Rev. J. M. Morris, who recently resigned here. Rev. Mr. Morris did a good work here in gathering a congregation and erecting a commodious house of worship. We wish the new pastor also much success.

Mr. Bartholomew is clerking at the Carter & Gressley grocery, in the temporary absence of the senior partner.

Mr. Rouse, who has been living on Moss avenue has gone with his family to live at a point near San Francisco, where he has two sons living.

Several of our local nimrods left this morning with guns and dogs, to hunt some cougars which have been destroying kids and lambs on the ranch of Mr. Withers, southwest of the city. It seems these "varmints" have done great damage there lately, within four miles of town.

Professor Gressley, of the Eugene Business college, with his family, accompanied by his sister, Mrs. John Carter, and her children, also her father, Mr. Gressley, of Carter & Gressley, and "Uncle Sam" Gressley, have gone to Newport for an outing by the sea.

James Randle has leased the building formerly occupied by Barr Brothers as a knife factory, and will soon start a machine shop for general repair work. We are glad that this building will again be occupied by a useful industry.

Dr. C. W. Edmunds has moved his family into the house on Columbia avenue, formerly occupied by the Rev. C. H. Whittlesay.

Unexpected Guests

The farmer and his wife were about to sit down to a cold supper when they saw some old friends driving towards the house.

The good wife was equal to the occasion—thanks to her New Perfection Oil Cook-stove.

She had it lit in a moment, and her guests hardly were seated on the porch before a hearty hot meal was ready for the table—sausages and eggs, and long rashers of streaky bacon, and rolls just crisped in the oven and fresh coffee—and the hostess herself as cool and neat as if she had not been near the kitchen.

She never could have managed it with an old-fashioned range. The New Perfection is the quickest, most convenient and best cooker on the market.
