YELLOW JAUNDICE

(Yellow Jaundice.) This is a disease of the liver, involving the blood, stomach and bowels.

HERBINE

is the Right Remedy in All Liver Disorders.

When the complexion is sallow and you have dark rings under the eyes and breath, bloated feeling in the stomach, and constipated bowels, with much flatulence (wind in the bowels), you are badly in need of Herbine because Pneumonia, Bright's Disease, Yellow Fever, Small Pox, Cholera, Typhoid Fever and Chills and Fever find their victims only among those who are in this condition. The liver is the cause of all the trouble and Herbine is a powerful liver restorative. After using Herbine the complexion becomes clear and healthy, the breath sweet and there is a feeling of strength and exhilaration all through the body.

President Fallieres of France To Start Big Racing Stable

Being president of France is not going to keep Clement Armond Fallieres from going into the horse racing business. The late King Edward of England was the most progressive member of the crowned heads of Europe in the racing line, and now President Fallieres promises to make a clean sweep of the blooded stock of not only his country, but of England and Russia. He is working to this end by buying the best blooded stock. His agents have been selecting the most promising yearlings in the United States for the past few months. President Fallieres has consulted W. K. Vanderbilt as to the best stock, and he is quoted as saying that he will return the favor by beating Vanderbilt's horses at next season's racing meet in Paris.
