SUMMER RESORT.

118 acres, including 3-4 mile of s. o. lake frontage, 2 1-2 miles from ocean beach. This lake frontage is entirely out of the ocean breeze, is dry, red soil, free from sand and stone. The lake supplies fine trout fishing and sailing, and motor boating, while the higher parts of the land provides a good view of the ocean. Land situated as favorably as this is very scarce and will soon be selling for \$100 to \$500 per acre. For a short time I can offer you this at \$20 per acre. GEO. MELVIN MILLER, Cor. 8th and Willamette. tf

SUMMER RESORTS.

I offer you seashore and lakeshore frontage at \$20 per acre. In tracts of one acre to .00 acres. This class of property is extremely limited in area and will soon be selling in Lane county at \$100 to \$1,000 per acre, as it is now doing in the more thickly settled states. You can put in a few hundred dollars now and take out as many thousands in a few years. A profitable way to spend your summer vacation is to go to Lane county's ocean and lakeshores and select a good sized tract and, while enjoying the cool ocean breeze, spend your idle time shaping up a place for a popular summer resort. Come in and let me tell you more about this. GEO. MELVIN MILLER, Cor. 8th and Willamette. Jy21
