

OUR ANNUAL Great Woolen Goods Sale

Saturday, October 7, to November 1

Blankets

Just in time for your winter needs comes a rousing sale of woolen goods at the Brownsville Woolen Mill Store---a great reduction event to which hundreds look forward every year. This timely sale is an unusual event with us and we have made tremendous preparations for it this year by taking the entire surplus stocks of the Brownsville Woolen Mills of Brownsville, the Thos. Kay Woolen Mills of Salem, and the Eugene Woolen Mills of Eugene. All of these well-known mills have been fairly ransacked from cellar to garret in order to supply plenty of woolen goods for this wonderful sale. Thousands of pairs of warm blankets---and we did not overlook the slightly damaged ones, which go at Half Price

From my back
to yours, but

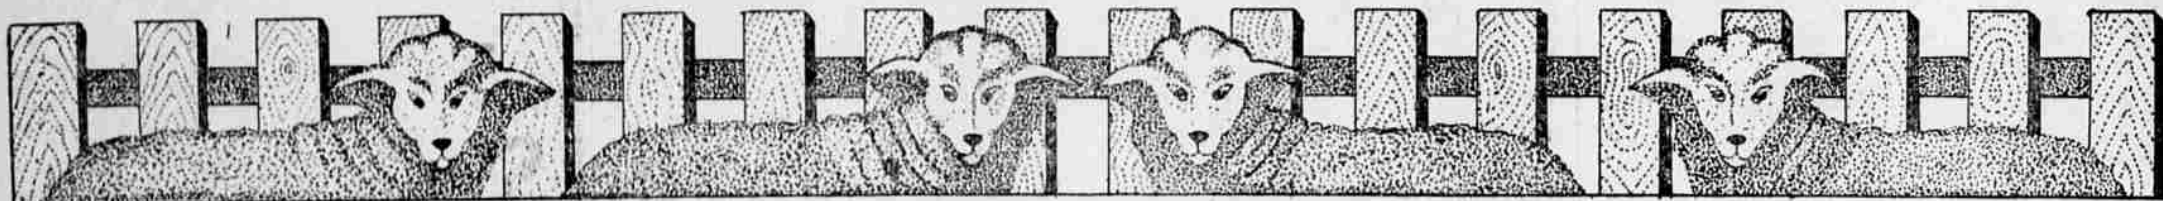

No cotton added in transit

Men's \$1.25, \$1.75, \$2 Wool Underwear, the Garment 95c

A startling reduction made possible by the fact that we are discontinuing to handle, in our regular stock, a half dozen or more styles, because we cannot fill in sizes on account of the mills stopping the making of them.

A speedy disposition of those on hand is desired, hence we have grouped the entire lot on a separate table where you can help yourself, as long as they last, at this mammoth reduction. Values up to \$2.00 for only, the garment. 95c

Buy White Wool Blankets at Once

These Blankets are made of the very finest grade of Oregon lamb-wool, are pure white, with neat blue, pink or lemon-colored borders. There are absolutely none better to be had. Note the startling reductions:

\$3.50 White Wool Blanket	 \$2.65
\$5.50 White Wool Blanket	 \$4.00
\$6.50 White Wool Blanket	 \$5.00
\$8.00 White Wool Blanket	 \$6.50
\$10.00 White Wool Blanket	 \$7.50

Blanket Seconds Go for One-Half Price

There's nothing wrong with Blanket "seconds" as far as durability goes. During the season's "run" at the mill, every pair that is not entirely perfect is laid aside as a "second." The reason may be only a slight defect in color, or perhaps the harder woven in wrong or a few stitches dropped in weaving.

A great saving opportunity during this sale, for all of these Blankets go at HALF PRICE.

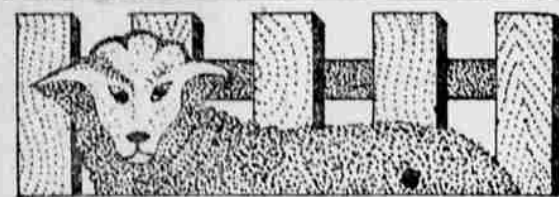

Blankets Washed

Customers of this store who have purchased Brownsville Blankets may bring them in up until Oct. 15th, at which time we will send them all together to the mill to be WASHED. We only do this once each year for the accommodation of our customers. The mill makes a charge of 50 cents per pair, which about covers the actual cost. Remember, this is the only time during the year that our mill will bother with the washing of Blankets.
