Tiger Grain Drills—

We have just received a carload of Tiger Grain Drills and there is no better Drill made.

Every Tiger Grain Drill is guaranteed not to crack the seed grains and it is equipped with flexible steel grain tubes that are so far ahead of the old style rubber tubes that there is no comparison. We want every man interested in grain drills to come and look the "Tiger Drill" over.

We have a carload of them here and can make immediate delivery. We have them in both single and double disc machines.

Bettendorf Wagons

We have in stock a carload of Bettendorf Wagons. Among them we have several light weight Bettendorfs that for its weight will carry a bigger and heavier load than any other wagon made.

It is made with a specially hardened steel running gear that will stand almost any reasonable strain that you can put on it.

We have a carload of these wagons and can make immediate deliveries.

SPORTING NEWS

YESTERDAY'S VICTORY RAISED HOPES OF OREGON TEAM

With Leading Players Out of Game Big Score Run Up Against Soldiers

The football game yesterday, in which Oregon won from Vancouver, 26 to 9, raised the hopes of the Oregon supporters quite a little. With Main, Latourette, Chandler and Kaiser out with injuries, the remainder of the squad put up a good game against the men from the barracks. The game was hardly sensational although several good runs were made. The Oregon line played a good game and with only one regular, Walker, in the backfield, the score of 36 was satisfactory to the Oregon men. The last quarter of the game was played with an entire "grub" backfield, which was able to make yardage at will through the Vancouver line.

Huesner, the new candidate for half back, carried the ball in a way that should secure him a regular position on Warner's eleven. He is fast, smashes hard, and plays a heady game all the time. Elmer Hall, at left tackle played a star game against the army men and his work in tackling and breaking up the opponents' play, was a feature of the contest. Fenton, the big end, played a great offensive game and time and again caught the necessary yardage for the Oregon eleven. Jones, the former Portland High player, did some excellent work for Oregon. Nolan, the Freshman guard, played a good game.

For the soldiers, Jackson, the full back and Greenaway, quarter, were the best and only men who could handle the ball successfully. They showed lots of fight occasionally and their vicious tackling showed to advantage the aggressive training of Dudley Clark. The men are inexperienced and the game is new for the most of them.

Oregon kicked off to the soldiers who carried the ball down the field with some fierce line bucks until the superior condition of the Varsity players began to tell. Huesner carried the ball over the line for Oregon, for the first touchdown of the game, after six minutes of play. On the kickoff the ball rolled behind the soldiers' goal posts and Jones fell upon it for Oregon's second touchdown. Fenton's 25-yard run and end runs by Walker and Huesner and Walker took the ball down the field for the third touchdown.

No more scoring was done until the second half when Bean carried the ball over with a minute of the first quarter to play. Two thirty-yard runs by Walker and Huesner brought the next touchdown and in five minutes another 20-yard run by Fenton and a pass of 15 yards to Bradshaw who scored, finished point-piling for Oregon.

All of the Oregon squad who were in shape were put into the game in the second half, but it is a safe prediction that the team which will be pitted against Pullman next Saturday will be about the same as that lined up against Vancouver yesterday with the addition of Latourette, Main, and Kaiser in the backfield, and probably Chandler and Anneson on the end positions.

The University team lined up as follows: Ends—Fenton, Bradshaw; tackles—Hall, Bailey; guards—Grout, Nolan, Paris; center, Kellogg; backs, Cobb, Walker, Jones, Huesner, Viereck.

The Vancouver team lined up as follows: Ends—guards, Cathey and Green; tackles, Perzesko and Dons; ends, S. Paul and Hoffman; backs, Greenaway, Johnson, Lewis and Jackson, Substitute ends were Mills, Hunter C. Paul, Eagan and Carmichael.

Referee—Latourette; field judge, Homer; time keeper, Dr. Leonard.

Training Table Begun.
The training table at the dormitory has been started, and the men selected so far are Captain Main, Latourette, Kellogg, Chandler, Fenton, Walker, Hall, Bradshaw, Huesner, Kaiser and Nolan. More men will be added within a day or so.

Oregon-Pullman Officials.
Manager John announces that the officials for the game with Washington state college next Saturday will be Fawcett, sporting editor of the Portland Oregonian; Varnell, of the Spokane Inland Herald, sporting writer, and Bentley, coach of Lewiston, Idaho, High school.

GRAHAM RESIGNS AS COAST LEADER

San Francisco, Oct. 20.—Thomas F. Graham, president of the Pacific Coast baseball league, handed in his resignation to the board of directors today. There has been no trouble or friction between Graham and the directors. Press of judicial business and a feeling that he has served his time as head of the league, led the president to resign.

Baseball on the Pacific coast has developed so rapidly during the past few years that I feel the president of the Pacific coast league should be a man who can devote his whole time and attention to it," said Graham. "This I cannot do, owing to my judicial duties. I want to extend thanks to the players, press and most of all, to the fans for their loyal support of the league, during my term as executive."

Graham was elected president of the league in 1909.

WHITMAN COLLEGE TEAM HAS HARD LUCK

Walla Walla, Wash., Oct. 20.—

Football stock at Whitman college is an uncertain quantity, and from present prospects there will be little to build the mission market this fall. Hard luck has hit the eleven in one way and another.

The latest catastrophe is the relegation of Captain Blomquist to the side lines with a sprained ankle, which will keep him out at every thing save perhaps the last two games. Blomquist was switched from tackle to halfback, replacing Kinder, the speedy Waltzbrug man, who quit the squad on account of studies. Gale, a freshman from Seattle, is now playing the position. Mine, the other halfback, has been compelled to quit on account of sickness and Hazelton, who replaces him, is a green man. This leaves Niles, the only veteran behind the line, to carry the brunt of the work. McDonald is playing the fourth position back, and is making good, although he is very light.

FORMER EUGENE PITCHER WILL ENTER FAST COMPANY IN EAST

Ray Baker Is Drafted by Philadelphia Americans From Raymond, Wash.

Ray Baker, the stocky lad who pitched for the Eugene team last year, and whose home is at Cottage Grove, has been drafted from the Raymond, Wash., team by the Philadelphia Americans.

Young Baker is the son of J. H. Baker, and is well known here because of his last work with the local team, when he was a favorite with the fans. Baker pitched here all last year, and was drafted by the Philadelphia team because of his fast work this year with Raymond, where he was known as a crack twirler.

Baker is only 19 years of age, but possesses a phenomenal amount of speed. It is likely that he will be farmed out by Philadelphia next season, but he is headed toward fast company and his friends here expect that he will attract notice even in the big leagues before long.

PORTLAND NOW TAKES THINGS EASIER

San Francisco, Oct. 21.—Portland unafraid, with the pennant already clinched, took things easy out at Recreation park yesterday. Speech Harkness, the Beaver twirler, let down and permitted the Seals to win after their own fashion. The score was 12 to 4 when the San Francisco men had finished their work.

Some times there were plenty of hits back of the runs that were made and then again there were not. Harkness established one record when three runs were scored with but a single hit, a two-bagger, to account for all the tallies. The ex-Cleveland flinger had as little on the ball as he ever showed and it was probably as much from a lack of caring what happened.

YESTERDAY'S RESULTS.

San Francisco, 12; Portland, 4; Los Angeles, 9; Vernon 2; Sacramento 7; Oakland 4.

GIVES AID TO STRIKERS.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural action and gently compel proper action. Excellent health soon follows. Try them, 25c at W. A. Kaykendall's.

Dr. C. H. Atwood has opened offices at 17 McClung building. Residence 316 W. 10th street. Phone: Office 373-J; residence 373-L, 020

REDUCTION IN VULCANIZING.

Thirty per cent reduction on all tire and tube vulcanizing at the Velum garage, 614 Olive street. All work first class.

"He returned from vacation happier than anyone else I have ever seen." "No wonder. He spent his two weeks on a farm where every thing practicable was raised for the table instead of for the market." Buffalo Express.

An electric iron with an automatic cutoff so that the current is used only when the iron is in operation has been patented by two Californians.

Expectations—Lodger (to his land lady in the country)—I am bound to confess that after the glowing description you gave me of the neighborhood and the view, I find it rather different from what I expected. Landlady—Well, you're different from what I expected, too.—Lustige Blat.

Biliousness is due to a disordered condition of the stomach. Chamberlain's tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness positively and effectually. For sale by Kaykendall's drug store.

Stop—Wells, my little man, what can I do for you? The Kid—Say, when I comes in here this afternoon with a lady and asks you for a dollar's worth of your best chocolate, just pass me out a penny's worth of them little things in the corner, will you?—Puck.

CHIROPRACTIC

FOR THE

Eradication of Disease

DR. P. A. HOLDEN, WITH HIS ADVANCED SCIENTIFIC ART OF

Spinal Adjustments for The Removal of cause for disease

BRINGS RELIEF TO THE BEDRIDDEN AND GIVEN-UP-TO-DIE HOPELESS CASES

Scarlet fever, typhoid fever, tonsillitis, sciatica, appendicitis and kindred easy diseases are relieved with a few adjustments; chronic cases a longer period.

Dr. Holden is a graduate of the Chiropractic college whose preceptor is to Chiropractic what Thomas Edison is to electricity—a peer and developer above all others—and under whose teachings he studied and graduated.

NO BLIND GUESS WORK ABOUT THIS DIAGNOSIS

His method of diagnosis is by Symptomatology, and with his superior knowledge of the functions and ramifications of nerves, which is the ONLY RELIABLE AND ACCURATE DIAGNOSIS, he is able to tell you WHAT AILS YOU without looking at your spine, tongue, or color of eyes. Examination free.
