

# 20 ARE ORDAINED AS MINISTERS OF GOSPEL IN CHRISTIAN CHURCH

### Class is Probably Largest in History of Pacific Coast. Rev. A. L. Crim Preaches Baccalaureate Sermon.

The calling that is all inclusive of the other activities in life is the way in which Rev. A. L. Crim yesterday described the Christian ministry to the graduating class of the Eugene Bible University and the twenty young men and women who were publicly ordained as ministers of the gospel, at services held in the First Christian church, yesterday. He spoke from the text, "Be Steadfast in the Faith," and declared that the belief that Christ was the Son of God is stronger today than at any time in the history of the world.

The educator thinks in terms of the school, the editor in terms of printer's ink, the lawyer in terms of law, the politician in terms of the science of government, the soldier in terms of war, but the calling of the ministry is all inclusive, the speaker stated.

"The Christian's home is the universe," he declared. "The only men who have moved the world have been those who have had the unshakable faith. Christianity is the mightiest institution of potency in the world."

#### Candidates Are Presented.

The candidates for ordination as ministers of the gospel were presented by Dean Sanderson of the Eugene Bible University. Rev. A. L. Crim read the charge to the class, admonishing them to preach the gospel and not to add to the Word and to give credit for success which may come to them to God and not to themselves.

Twenty elders from the Eugene church and other churches assisted in the ordination service.

The members of the ordination class which was probably the largest ever ordained in a single day on the Pacific coast were as follows: Arlo Bristol, Pleasant Hill; Kendall Burk, Long

Beach, Cal.; David A. Byerlee, Central, Wash.; Fred Coley, Whittier, Cal. Clifton Dorris, Butte, Mont.; Guy L. Drill, Portland; Ted B. Dunton, Los Angeles, Cal.; James S. Foust, Vancouver, Wash.; Fred Harriman, Corvallis; Kenneth Hendricks, Oregon City; Peter Jensen, Ute, Iowa; Mrs. Myrtle May Johnson, Portage La Prairie, Canada; Wallace Jones, Woodburn; Charles McClafflin, Astoria, Cal.; John W. Ricketts, Tillamook; Miss Mae E. Taylor, Sidney, Australia; Harry Tuttle, Bakersfield, Cal.; Miss Joyce Vernon, Eugene; Miss Edna May Whipple, Bellingham, Wash.; Linden Levitt, Hood River.

#### Commencement Wednesday.

The members of the graduating class who will receive diplomas at commencement exercises to be held at 8 o'clock Wednesday night, are as follows:

English Ministerial Course—Roy Healy.

The statement reads: "Our operations in the Hindenburg line between Bullecourt and Fontaineles-Croisilles were continued with success during the night. Our troops who had carried a front trench in the Hindenburg line yesterday morning and had repelled several counter attacks, renewed the attack in the evening and after hand-to-hand fighting captured a support trench also."

# CAME THOUSANDS OF MILES TO ENLIST

### Former Eugene Boy Came From New England to Visit Folks and Join Colors.

Joseph Jett, a former Eugene resident, was in the city this forenoon on his way to Coos Bay from New England. Mr. Jett has been in the Atlantic seacoast states the past few years, working in various large eastern factories and munitions plants. Among the places he worked were a shell factory at Singleton, N. Y., and the Dupont Powder works at Carney's Point, N. J.

Mr. Jett reports plenty of work all through the east and men receiving good pay. He came west to visit his mother, who resides at Coos Bay, and to give Oregon credit for his enlistment in the service. He left today for the coast and after a short visit there will enlist, probably in the marine corps.

When asked if the munitions plants were being depleted of workmen by the call to the colors, Mr. Jett stated that they would not let them enlist. Foreseeing that state of affairs, Mr. Jett quit that branch of work while there was yet opportunity to get out and see active service.

# TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-achy or have Bladder Trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, also you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys; it is non-toxic, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

# Most Eminent Medical Authorities Endorse It.

Dr. Eberle and Dr. Bralhwite as well as Dr. Simon—all distinguished authors—agree that whatever may be the disease, the urine seldom fails in furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained. If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or you suspect kidney or bladder trouble just write Dr. Pierce at the Surgical Institute, Buffalo, N.Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemist has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Anuric" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day—as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You can get a sample of any one of these remedies by writing Dr. Pierce.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny, sugar-coated Pellet a Day. Cures Sick Headache, Bilious Headache, Bilelessness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.
