WHEAT IS UNSETTLED IN CHICAGO MARKET

Close 2 to 4 Cents Net Higher With May at $1.98 and September $1.82.

Chicago, June 1.—Something of a setback was given to wheat prices today by news of the closing of the port of New York to all outgoing vessels. Bearish crop estimates tended also to handicap holders. At first the market had displayed firmness owing to strength of coarse grains. Opening prices, which varied from unchanged figures to 1 cent higher, were followed by a break to well below yesterday's finish all around and a subsequent rally failed to hold.

Word later that the ban on outgoing ships at New York was lifted had a decided bullish effect. There were also reports that some export purchases had been made at Kansas City. The close was unsettled 2 to 4 net higher with July at $1.98 and September at $1.82.

Continued dry weather lifted the corn market. After opening 1 1-4 to 1 3-4 higher, prices scored decided further gains, but lost much of the advance when wheat turned downgrade.

Prices subsequently rose much higher than before. Shorts who tried to cover found offerings light and had to bid the market up. The close was strong at 3 3-8 to 7 1-4 net advance.

Oats followed wheat rather than corn. Scantiness of offerings though prevented any radical downturn.

Weakness of lard acted as a weight on provisions.

WALL STREET

New York, June 1.—Unfounded reports pertaining to shipping were responsible for severe unsettlement of today's early market. Prices rose buoyantly later, important stocks scoring net gains. Sales approximated 1,200,000 shares.

Further price adjustments were made in the last hour. Steel rose to its best price of the day, other prominent issues registered similar improvements. The closing was strong.

Vote of Food Bill to Be Delayed for Another Day

(By The Associated Press)

Washington, June 1.—Passage by the senate of the administration's first food bill probably will not occur before tomorrow night. Final action was delayed today by a number of proposed amendments which were yet to be disposed of.

Resuming consideration of the bill which provides for a food survey and stimulation of production the senate today took up for discussion Senator Fletcher's amendment to permit the secretary of commerce to promote wider use of fish to meet the food stringency. The proposal has the endorsement of the administration.

Work of perfecting the bill to authorize a food administration and price fixing, second of the government's measures, was continued today by the house agricultural committee.

Court Officer Is Accused of Crime by Delinquent

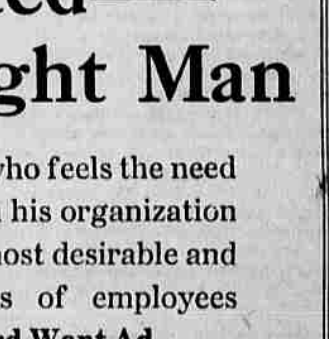
Medford, Or., June 1.—Charles B. Gay, probation officer of Jackson county, was arrested yesterday by Sheriff Jennings charged with contributing to the delinquency of a minor. The complainant in the case is Mrs. C. L. Johnson, 16 years old, who, as Fern McDaniels, was committed to a home for delinquent girls in Portland about a year ago and was taken there by the probation officer.

It was during this trip that Mrs. Johnson claims the crime was committed. Mr. Gay stoutly maintains his innocence and asserts his arrest is the result of spite work on the part of the girl and a Mrs. Upton, who, as a representative of the Louise Home for Friendless Girls in Portland, has recently been canvassing for that institution in southern Oregon.

The Hotel Smeed will appreciate the patronage of commercial men and their friends. C. A. Harrison, proprietor. M. K. Mac Rae, Chief Clerk. je2

MY TIRED FEET ACHED FOR "TIZ"

Let your sore, swollen, aching feet spread out in a bath of "Tiz."



Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25-cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.
