"Time IS Money"

That's old stuff, of course. But just as true as old.

Time is so short. We have ten, twenty, or forty years in which to make good financially.

Not a single one of those brief years can be safely wasted in improvidence.

For many of us it takes the full span of life to compass a competence.

Not a month—not a week, even—should pass without some substantial gain.

SUPREME COURT SAYS COLEMAN HAD SPOUSE

Reversal of Circuit Court Decision Adds Complication to Contest for Estate.

The supreme court of the state of Oregon by its decision yesterday holding that Mrs. Helen A. Coleman, 76-year-old bride, was the lawful wife of John B. Coleman, aged Lane county capitalist, at the time of his death, added a complication to a will contest over \$500,000 remaining of an estate which at one time amounted to \$200,000. Coleman disposed of most of his wealth during the last few years of his life by generous gifts to strange women and to charitable institutions. He often repudiated his actions and was engaged in many lawsuits in which he sought to regain property and money.

Coleman at the age of 85 years entered the Fredericka Home for the Aged at Chula Vista, Cal., and while in that institution met and married the woman whose marriage he later sought to have annulled. He pleaded that he had been irresponsible and incapable of entering into a marriage contract and that he had not done so of his own free will. The Lane county circuit court sustained Coleman's contention and annulled the marriage. Before the appeal to the supreme court had been prepared, Coleman died at Key West, Florida, where he had gone to spend the winter and where he met Mrs. Lulu Sawyer, who he made his sole beneficiary under a will drawn in that city. This will is being contested by three nieces of Coleman residing in the state of Kentucky who were named as the beneficiaries under a will drawn in this city before Coleman left Eugene to spend the winter in Florida.

The supreme court by its ruling holds that Coleman was responsible at the time he entered into marriage with Mrs. Helen A. Coleman. The basis of the present contest of the Sawyer will is that Coleman was not mentally capable of looking after his own affairs. Mrs. Coleman, if she should seek to break either of the existing wills, would be placed in a position of repudiating the contention which was sustained by the court in holding her to be Coleman's lawful wife.

Lane County Pioneer Dies at Breitenbush Springs

A. J. Oglesby, a pioneer of Lane county, who was a student of old Columbia college, located on College Hill, Eugene, in pioneer days, died last Friday at Breitenbush Springs, east of Albany, and was buried at Alsea, where he had resided the past 28 years. He was 76 years of age.

Mr. Oglesby crossed the plains to Oregon in 1853, locating near Cottage Grove. He was a brother of Dr. W. V. Oglesby, of Cottage Grove, and was a prominent prohibition worker for years. He leaves six children: R. C. Oglesby, of Banks; William Oglesby, of Goshute; Mrs. E. E. Hamersley, of Alsea; Mrs. John Wilson, of Fisher; Mrs. William Fitzcharles, of Alsea, and Carl V. Oglesby, of Eugene.

HEALTH NOTICE TO THE PUBLIC.

Four years ago this month I came to Eugene and during that time have given more than thirteen thousand chiropractic treatments and have never had occasion to sign a death certificate, a truly remarkable record. Chiropractic is right. Your health demands it.

LOWER WATER RATE IS BENEFICIAL TO GARDEN PROJECTS

New Schedule of Charges Reduces Cost of Providing Substitute for Rain. Comparative Figures Given.

The water meters of Eugene are doing full time now. The gardener who responded to the patriotic appeal to plant early in the spring must water to save his garden. The meters still turn at the same pace, but the bill does not pile up quite so fast as it did last year. To familiarize the consumer with the expense of water for his garden a statement has been prepared by the Eugene water board showing the amount of water used last year and the cost as compared with the cost under the rate now in effect.

A meeting of the members of the water board and the citizens of the city has been arranged for Saturday evening at 8 o'clock, when the matter of still lower rates for the purpose of saving the gardens. This of course is to be merely temporary.

The new minimum rate is 75 cents for 300 cubic feet as compared with \$1 for 500 cubic feet, the minimum last year. When water is used in only a small amount there is virtually no reduction to the consumer, if he uses in the neighborhood of 500 cubic feet. Under the new rate, after 300 cubic feet are used, 10 cents for each 100 cubic feet is charged. There are about seven and one-half gallons in a cubic foot. When an amount to exceed 2500 cubic feet is used, a rate of 7 cents per hundred cubic feet applies. The table showing the amount of a water bill last year as compared with the bill for the same amount of water, if used this year, has been prepared by G. W. Geller, superintendent for the water board, as follows:

Cubic Feet	Old Bill	New Bill
300	\$1.00	.75
350	1.00	.80
400	1.00	.85
450	1.00	.90
500	1.00	.95
550	1.05	1.00
600	1.15	1.05
650	1.20	1.10
700	1.30	1.15
750	1.40	1.20
800	1.50	1.25
900	1.70	1.35
1000	1.85	1.40
1100	2.05	1.55
1200	2.25	1.65
1300	2.45	1.75
1400	2.60	1.85
1500	2.80	1.95
1600	3.00	2.05
1700	3.20	2.15
1800	3.35	2.25
1900	3.55	2.35
2000	3.75	2.45
2100	3.95	2.55
2200	4.10	2.65
2300	4.30	2.75
2400	4.50	2.85

Wkmen Quit Without Offering Any Excuse

(By The Associated Press)
Tacoma, Wash., July 12.—Two hundred and fifty men employed in extending the Northern Pacific tracks into the army cantonment at American Lake mutinied today and simply trailed off. An appeal to the patriotism of the men by Major Stone, in charge of the post, was without avail. The mutiny is said to be without definite demands and is attributed to J. W. W. influences. Nothing violent was attempted.

Fred Hollister, of North Bend, is a business visitor in the city today. Mr. Hollister was a candidate for congress in this district on the democratic ticket two years ago.

Coconut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulitified coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulitified coconut oil at most any drug store. It is very cheap and a few ounces is enough to last every one in the family for months.

SWEET PEA SHOW TO BEGIN FRIDAY

Degree of Honor Lodge Gives Annual Event at Hampton's Store; Fine Prizes Offered.

The sweet pea show given annually by the ladies of the Degree of Honor will take place at Hampton's store, opening at 2:30 o'clock Friday afternoon and closing Saturday evening.

Only Spencer sweet peas will be considered in awarding the prizes, and each vase must contain 10 stems. All exhibits must be in place by 11 o'clock Friday morning.

The music Friday afternoon will consist of Edison phonograph numbers furnished by H. G. Morris, also musical numbers by Miss Ruth Davis, Miss Yoran and Miss Rose Powell. Saturday afternoon there will be numbers on the phonograph and also by Miss Powell and Mrs. A. A. Finn. There will be an especial concert program Saturday night at 8 o'clock.

Following are the prizes to be awarded:

Collection of nine varieties—First prize, one dozen photos; second, brass fern dish.

Collection of seven varieties—First prize, framed picture; second, vase.

Collection of five varieties—First prize, bud vase; second, vase.

Baskets—First prize, basket; second, vase.

Tea table—First prize, stationery; second, fern basket.

Florist's display—First prize, stationery; second, fancy collar.

Best vase of six mixed varieties—First prize, parasol.

Children's collection of four varieties—First prize, candy.

Children's collection of single variety—First prize, candy.

Prizes will also be awarded on single varieties of white, red, pink, primrose, lavender and maroon peas. A prize also will be given for the best "bride's bouquet."

All vases for the exhibit will be provided by the lodge; the prizes were donated by the following Eugene merchants: Laraway's jewelry store, Dunn's dry goods store, Cressey's book store, Sunbeam studio, Hampton's clothing and dry goods store, Caswell & Whitten's grocery store, Otto's, Ideal feed store, Brauer & Conley furniture store and Maurer's jewelry store.

Telegraph and Telephone Men Wanted in Army

The local recruiting office of the regular army has received word to enlist telegraph, and radio operators for the signal corps of the regular army. There are approximately 10000 vacancies for these men in the signal corps proper.

Men for the forest service for the term of the present emergency, will also be received if they have cards from the forest service.

Second Child in Family Dies Within Three Weeks

Gertrude, the seven-months-old daughter of Mr. and Mrs. A. C. Head, of 1037 Third avenue west, passed away Wednesday evening after an illness of several days. Stomach trouble is given as the cause of death. About two weeks ago Mr. and Mrs. Head lost another child after an illness of only a few hours. The funeral of the child was held Thursday morning at 10 o'clock at the Gordon and Veatch chapel and interment was made in the L. O. O. F. cemetery.

DIED

CHILSON—At her home, 684 Madison street, Eugene, Wednesday, July 11, 1917, Mrs. H. L. Chilson. Funeral services will be held Friday afternoon from the Gordon & Veatch chapel, Rev. A. L. Crim officiating. Interment will be in L. O. O. F. cemetery, the Rebekah lodge conducting the services at the grave.

Mrs. Chilson had been ill for many weeks. She is survived by her husband and one daughter, Miss Alice Chilson, who resides in Oklahoma. She was a member of the Christian church and of the Rebekahs.

BORN

RUBINSTEIN—Wednesday, July 11, 1917, to Mr. and Mrs. Ray Rubinstein, of 441 Washington street, Eugene, Or., a son.

PATENTS GRANTED.

Patents granted to citizens of Oregon, June 26, 1917. Reported through the office of R. G. Park, Jr., solicitor of patents, Washington, D. C.:

SALTS FINE FOR ACHING KIDNEYS

We Eat Too Much Meat Which Clogs Kidneys, Then the Back Hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of nadder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

CONTRACTING FOR ABSTRACT OF LANDS

Douglas County Official Engages Eugene Firm for Work for County.

E. H. Lennox, county clerk of Douglas county, was in Eugene Thursday making arrangements with the Title Abstract company for an abstract of the records of lands which were placed in Douglas county by act of legislature in 1913. The legislature in that year changed the boundary between the two counties from an irregular boundary to conform with the township lines, thus throwing some land from Lane to Douglas and some from Douglas to Lane. The last legislature passed a law compelling the county court of each county to secure an abstract of the records of the other county on such lands as were taken into its jurisdiction.

It was to complete arrangements with the Title Abstract company, of this city, for such an abstract covering the lands transferred to Douglas county that Mr. Lennox visited the city.

Lane county has contracted with the Commercial Abstract company of Roseburg, for an abstract covering the lands taken into Lane county.

Mr. Lennox was accompanied to Eugene by Mrs. Lennox, and they spent some time visiting the court house and county officials.

American Wife of British Officer at War Council

(By The Associated Press)
London, July 12.—One of the British representatives at the recent Anglo-German conference at The Hague in reference to war prisoners, was Mrs. Darley Livingstone, young American wife of a British officer and secretary of a government official, concerning the treatment of British prisoners in enemy countries. She is the first woman to have been engaged in diplomatic negotiations in behalf of Great Britain.

Dr. J. W. Bunce, a graduate of the Eugene Bible University, left Thursday for Portland after enlisting in the hospital corps of the regular army Wednesday.

Lee Bown, son of Judge H. L. Bown, came home from Chickamauga Thursday for a short visit with his parents. He is a member of the Third Oregon infantry.

Aubrey G. Smith, instructor in science at the Eugene high school last season but elected superintendent of the Roseburg schools next year, went to Portland Wednesday to attend the N. E. A.
