OUT-OF-TOWN SEASON THINS RED CROSS

The irresponsible mood of mid-summer and the warmer weather may safely be said to be responsible for the fewer ladies which have gathered to do Red Cross sewing outside of the headquarters although work there has gone on interrupted and as usual. Out-of-town season is at its high tide now and camping parties, motor trips, week-end visits, and short stays here and there, are occupying most of society's time. To assemble women for anything big is almost an impossibility if it is anything outside of Red Cross activities, but for this great work they have met each day at headquarters and some have even come often this week than they have heretofore. The Middy club kept those present Monday, refreshed by serving punch during the afternoon. The regular schedule was followed as to which auxiliary should come on which day. Another auxiliary, Coburg, was added Tuesday of this week. Week after next, regardless of the heat or tired feeling, each and every one of us must be out to the Foley and Burke carnival, which will share its benefits with the Red Cross.

Miss Keller and Mrs. Allen will be in Eugene just one day but their time will be taken up with various social activities. They are making a tour of the coast in interest of their fraternity. The ceremony was read from the ritual of the Methodist Episcopal church by Reverend George H. Parkinson, at eight o'clock, the impressive ring service being used. The bride was adorned in her gown of taffeta and chiffon cloth. She carried a shower bouquet of pink La France roses and bridal wreath, which was caught by the bride's sister, Miss Grace Kelsay. Miss Nina Wilhelm, an intimate friend of the bride, acted as bridesmaid. She was becomingly attired in white organdy and carried a graceful bouquet of Dorothy Perkins roses.
