Mr. Brownell Returns—Attorney Howard M. Brownell returned Monday evening from a two days' business trip to Oregon City. While here, Mr. Brownell visited with his father, Honorable George C. Brownell.

Building Contract—W. R. Baker has been given the contract for piano tuning.

WORRIED?

Have you "a raft of bills" which press for payment? Plans all upset? Opportunities lost? Is life a continuous struggle to keep ahead of the collector? Well—Whose fault is it if life's all awry? Whose fault that you are forever on the brink of disaster? Are you living on a business basis? Do you eliminate the "lit. chl reserve" and strengthen your credit? Have you a bank account? Do you regularly bank a certain sum to increase your financial fibre? No? Then why question further? You need a bank account, with the will to make it grow. To save money is not easy, but thrift and saving are the bedrock foundation of all success and happiness.

which he is a member of the board of directors. While here he visited with E. J. Moore whom he knew in Hot Springs.

Employs New Clerks—Grant Moore is serving as clerk at the Linn Drug company's store, until the local Red Cross ambulance corps, of which he is a member, is called out.

Grocery Window Smashed—A window in the grocery store belonging to George C. Stanley was smashed Monday afternoon when one of the shafts of a milk wagon of the Eugene Farmers' Creamery went through it. The driver H. Keeney left the horse standing in the alley next to the store and the horse who was not tied walked up shoving the shaft through the glass.

New Home Completed—The new \$5000 home of Dr. William B. Neal at 551 West Tenth street, is now entirely completed, the last work being finished up Tuesday morning. The structure, which has been three months in building, is of Colonial style, has two stories, and is modern and convenient in every respect. W. B. Baker was the contractor.

Auto Hits Bank—The steering gear of Sidney Allen's car failed to respond quickly enough at Judkins' Point on the Springfield road Sunday, causing the machine to run into the high bank at that place. Both front wheels were broken by the impact and the damaged machine had to be towed to a local garage.

On Way to Join Army—Gordon ("Jim") Wilkinson, brother of "Jim, the Shoe Doctor," was in Eugene Monday on his way to Vancouver, B. C., to join the Canadian army. Mr. Wilkinson was formerly employed at the cannery here and has for the past four months been employed in the office of the railroad war board at San Francisco.

Local Man Is Speaker at Successful Social
Between \$12 and \$15 was realized from an ice cream social held at Gushon Saturday evening. The affair was given by the Christian congregation for the benefit of the church, and was well attended by Coburg and Eugene people. Attorney Howard M. Brownell, of this city, delivered the address of the evening. Mr. Brownell spoke particularly to the young people, his theme being the manner in which the most could be made of their lives. Mrs. Brownell accompanied Mr. Brownell to Coburg.

SHIP YARD WORKERS MAY EXTEND STRIKE

Vote to Be Taken on Proposal to Call Out 250,000 Men in Nation.

(By The Associated Press)
New York, Aug. 21.—The ship yard strikers in this district who are said to number nearly 12,000 expect no opposition to their mass meeting in Tullyman Hall this afternoon when a vote probably will be taken to decide whether or not general strike of ship yard workers in the United States is to be called. Such action, it was said, would affect 250,000 men.

NO STRIKE AT SEATTLE
(By The Associated Press)
Seattle, Wash., Aug. 21.—Labor lead-

ers here have stated repeatedly in the past month that there will be no strike in the Seattle ship yards, which employ 14,000 men and boys. A new scale has recently been accepted by the yards, granting increased wages and other advantages to the men, and a sympathetic strike in the yards here is regarded as almost impossible.

FIRE CONDITIONS IMPROVING TODAY

Flames on McKenzie River Are Reported Under Control; Men Return to Camp.

Reports received at the office of the Booth-Kelly Lumber company in this city are to the effect that the fires on the McKenzie river above Leaburg were practically under control. M. J. Skin-
