Shoulder to Shoulder

Business plays an important part in the drive against the enemy. Farming, manufacturing and merchandising produce the food, money and munitions, without which our khaki-clad fighters would be helpless.

This bank is shoulder to shoulder with productive enterprise and ready at call with financial aid and support for any worthy farmer, individual or company in sound expansion of business operations. We're willing and anxious to help. This bank enjoys a well earned reputation of growing by helping others grow. May we help you grow? You are invited to open an account and become a member of our happy family of depositors.

How to Possess Good Teeth

You can now possess good teeth and enjoy all the life-time benefits they give—and without pain and unnecessary suffering. Every one can.

You know that defective teeth endanger health and destroy beauty or even "good looks," without which there can be no happiness.

The average human life has been prolonged five years by modern dentistry. Statistics show this.
