ENTIRE STOCK MUST GO REGARDLESS OF LOSS

MEN! If economy is the question this sale will furnish the answer. Thousands of dollars worth of new, fresh merchandise for men — Suits, Overcoats, Hats, Caps, Shirts, Neckwear, Suit Cases, Hand Bags, Underwear, Hosiery, Mackinaws, Raincoats, Separate Pants, Overalls, Umbrellas, Night Gowns, Pajamas, Handkerchiefs, Collars, Gloves, Jewelry, Reefer Socks, Slickers, Belts, Suspenders — Things you actually need men and need every day in the year — apparel you must have from the finest dress to the heaviest work clothes, not cheap shoddy stuff, but High Class, up-to-the-minute apparel. These will be sold at prices far below the market and in many instances much less than present wholesale prices.

Let us tell you the prices for spring clothing will be higher than a cat's back and to make you feel real good about this sale we are here to tell you that prices on these very needs are going still higher. You can't go wrong if you buy two or more suits; a half dozen shirts, a couple dozen pairs of socks and other things in like proportion. Future needs demand such procedure if you wish to economize. If we have never done you a good turn we are going to do it now — Here at this Great Closing Out Sale — the very things you need at the opening of the season at such reductions. We go out of business smilingly and may come back when market conditions become normal. Our object now is to sell out everything in the quickest possible time and close the doors for the last time at the earliest possible moment. Saturday is the opening day and we invite our friends and all Lane County to come and get the benefit.

Kuppenheimer Suits and Overcoats SACRIFICED

Copyright 1917
The House of Kuppenheimer

Every man posted on clothing knows the sterling quality of Kuppenheimer Clothes. To sacrifice such a line at this time when clothing prices are fairly soaring seems almost a crime. But go they must. Kuppenheimer Clothes are quality clothes because they're made of quality fabrics, quality linings, quality trimmings, quality findings — even quality thread; and they are sewed with thoughtfulness and skill by men who got their training in the old-fashioned quality school. You will make no mistake if you buy two or more suits at these prices.
