

200 Pigs for 200 Boys

We have decided to double our BOYS' PIG CLUB this year. The Government has established a minimum price of \$14.50 for hogs. Never in the history of this country has the boy of today had such a wonderful opportunity to make money.

WE HAVE MADE OUR GROWTH by helping others. Now we want to help 200 boys get started in life. On account of the increased price in the hog market we have decided to increase the amount we lend to each boy from \$10 to \$12.50 one year at six per cent interest. Write for blank application TODAY.
