CITY NEWS

Attorney Visits Eugene—

H. J. Shinn, of Cottage Grove, was attending to legal business at the courthouse Thursday.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When cross, feverish and sick give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing if empty the bowels, and the result is, they become tightly clogged with waste, their little one becomes cross, half-sick, fretful, don't eat, sleep or act naturally, breath is bad, system full of cold, sore throat, stomach ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of California Syrup of Figs, and in a few days all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed in the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Remember any other kind with contempt.

PROFITS ON 6000 PAIRS OF PIGEONS IN YEAR \$21,432.08

That there is money in squabs is demonstrated by the records of one squab plant which cleared the fourth year in business on 6000 pairs \$21,432.08.

This man started with a small plant and a few good pigeons he learned the requirements of both the birds and the markets and increased his flock from his best birds and was successful.

One need not expect to make \$20,000 on a few pigeons, but there is profit in squabs. I have proved this fact to my own satisfaction in one year. I now have about 200 pairs of first class breeders and am going to sell 150 pairs, either in small lots or in one lot. I can furnish any kind you want. I am also selling most of my chickens, which are pure bred and have a few Barred Rocks, White Leghorns and Minorcas for sale, as well as squabs and fresh eggs. Phone 602-X, 1188 W. 6th ave. I. F.
