Third Class Men Will Go to Benecia Arsenal From Here

Lieutenant C. C. Jeremiah has been advised that the present class in ordnance will go directly from Portland to Benecia, Cal., to receive six weeks' work in the government arsenal. The course at the arsenal gives them a certain amount of practical work necessary to complete their training. Five members of the storekeepers' division of the Southern Pacific Railroad company, gave short addresses before the class. These men are in a work that is similar to the work that the ordnance men do in the army. The men who addressed the class were H. G. Cook, R. L. France, of San Francisco, and E. J. Becker and F. N. Dobbs, of Portland.

Mrs. F. W. Schultz went to Harrisburg Tuesday to spend the day with her friend, Mrs. A. M. Prather, who is ill.

Mrs. A. C. Spencer of Portland left for her home Wednesday afternoon after spending a short time visiting her daughter, Miss Donna, a University student.

ITALIAN PRUNE TREES In all grades and a complete line of Fruit, Nut and Ornamental Trees, Shrubs, Roses, etc., for this season's planting. The present outlook insures a continuation of the high prices paid for prunes and all fruit products the past year. Over one and a half million pounds of Northwest Prunes sold to the Government in one order. What would bring you better results, and at the same time aid in the food problem, than an orchard planted on suitable ground and well cared for? Growing our own trees we can furnish you good stock at the right price. Send us a list of your needs.

Alumni May Send College Publication to Soldiers

Resolutions regarding the association's relations with the Emerald and the raising of the sum of money with which to send Emeralds to the men in service, were passed at the meeting of the alumni council in Johnson Hall, Saturday. The council decided to discontinue relation as an association with the Emerald. Letters are to be sent to all members of the association that have paid their dues for the year, explaining why the Emerald has not been sent to them. An investigation is to be made by the council to determine whether the sum necessary to send the Emerald to the

men in France can be raised before further contributions are made, according to a motion passed at the meeting. In hope of starting an alumni publication next year, Walter C. Winslow and Dean Walker were asked to go before the board of regents, asking for financial assistance, especially in this matter of starting a publication. Those present at the meeting were Walter C. Winslow, Mrs. Leonard T. Harris, Dean Walker, Mrs. John F. Bovard, Marion McClain, and Karl Othank.
