The Final Wind-Up of
One of Eugene's Most
Up to Date Stores

Why this Stock Must be Sold on such Short Notice

I purchased it from the creditors and agreed to pay for it by a certain time. My reputation, my credit and my standing as a merchant are at stake. I cannot afford to sacrifice either; I bought the stock at a discount. The Sale up to the present time has been a howling success, so from now on until the store is cleaned of merchandise from wall to wall including fixtures, the value of the goods, in fact the cost of the goods, will not be considered. It will be a case of SELL, SELL until everything is sold. The stock will be conveniently displayed, marked in plain figures with plenty of experienced sales people to accommodate the crowds that are bound to come.
