

Think Well Before Buying Your New Coat or Suit

Already this season we have had the good fortune to help several hundred customers avoid purchasing impure fabrics and hasty tailoring in coats and suits. In hardly any season during the past ten years has it been so important to watch closely everything, big and little that goes into making garments — and this applies to our purchasing as well as yours.

Frankly we recommend Wooltex garments. We know that the makers back up without the slightest hesitation the Wooltex guarantee of ALL WOOL fabrics, EXPERT tailoring and LATEST METROPOLITAN DESIGNING

AFTER THREE YEARS

Many men and women are sick and don't know it. Some never discover they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groin, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. H. Moss, Ogden, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years standing.—Sold everywhere."
