THE GOING

He's gone. I do not understand, I only know That as he turned to go And waved his hand, In his young eyes a sudden glory shone; And I was dazzled by a sunset glow, And he was gone.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system.

To neutralize the irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine and bladder disorders disappear.
