GROCCERS, BUTCHERS PLANNING BANQUET

The Eugene Retail Grocers and Butchers' association is planning their big annual banquet, which is to take place at the Chamber of Commerce Wednesday, March 8. There are about 50 members, each of which is expected to bring his wife—present or prospective—to the banquet hall. An entertaining program of music and speeches is being prepared. Preliminary plans for the annual picnic, which will probably be held sometime in June, will be discussed at the banquet. The one last year was held at Robinson's grove and was a great success, being attended by 1500 people. A barbecue, music and dancing were features of the occasion, everything being free to all.

M. J. Thompson, of the Terminal grocery, is president of the association; F. E. Dice, of the Dice-Swan grocery, vice president; Leroy Milne, of Milne's grocery, secretary-treasurer.

Seventy-Year Old Groom As 'Young As He Feels'

San Francisco, Cal., March 1.—"It is a natural alliance and that's all there is to it," declared former Senator Lee Mantle, of Montana, today, following his arrival here from the east with his bride, who formerly was Miss Mary Daly of San Francisco. Mantle is aged 70 and Mrs. Mantle is 25.

"A man is just as old as he feels, and in spirit I am not old," Mantle went on. "I have always associated with young fellows. There was nothing sudden or forced about this marriage. For two or three years, it has been understood that we were to marry, but Mary wanted to finish her course at the University of Nebraska. She wanted to prove herself first."

"We like each other. Why should the disparity in our ages make a difference?"

Samuel Rutter, of Oakland, New Prohi Director for Cal.

Washington, Feb. 1.—Samuel F. Rutter, of Oakland today was appointed federal prohibition director of California succeeding E. Forrest Mitchell who has resigned. Rutter is now en route to California to take charge.

A Man's Eyes

Men are inclined to neglect their eyes until nature positively compels them to seek relief from headaches or blurred vision.

Wives should urge their husbands to consult a good optometrist when they think their eyes need attention. I devote all my time to examining eyes and making glasses. A consultation implies no obligation to buying glasses unless convinced they are needed.
