

---and we are a healthy, happy family now

-Louis Gingras

TINGLING with abundant energy, appetites hearty, nerves strong and steady and their faces radiant with the glow of perfect health, the entire family of Louis Gingras, 9 Harrison Ave., Providence, R. I., are an eloquent tribute to the powers of Tanlac, the greatest family medicine the world has ever known.

I've put Tanlac to the test four times right in my own family and it hasn't failed me once, declared Mr. Gingras. "My wife, my son and my daughter, as well as myself, have all been built up from a half-sick, run-down, worn-out set of people into a healthy, happy family brimful of new life and energy."

And the experience of this family is only typical of thousands of others whose statements are on file in the Tanlac office. Hardly a day passes that does not bring scores of such messages of praise from every part of the United States and Canada from families where mother, father, son and daughter have all found health, contentment and the joys of living through simply taking a course of Tanlac.

Take, for instance, the case of John Widner, 1571 Roosevelt Ave., Los Angeles, Calif., who says "My wife, myself and little boy are now as healthy, happy family as you will ever see—and it's all due to Tanlac."

Or that of Mrs. John Marquis and her family of sixteen living in Manchester, N. H., at 292 Belmont St. She says: "Tanlac has been the only medicine used in our house for two years and it has kept every one of the sixteen here in the best of health."

In Chicago, Frank R. Richards, of 441 South Wood St., writes: "We will never be without Tanlac in our house after the remarkable way it has built up my wife, my son and myself to where we are the very picture of health."

E. H. S. Wrestlers Working For Meet With Oregon City
Some time within the next few days the Eugene high school wrestlers who are to meet Oregon City high school grapplers in that city Friday night, will be picked. Twelve men are now out for the team. Of these seven will be selected.
Those on the squad now practicing every night under the critical eye of E. A. Britton, coach, are: Milo Murphy, 105, Keith Ingals, 115, Fred Lewis, 125, Dallas Houston, 125, Sid King, 137, Dave Dier, 130, Herman Walrup, 132, Edwin Koppal, 145, Clarence Sanborn, 150, Charles Davidson, 155, Morris Guthrie, 155, and "Dobbie" Sanderson, 160.
The team will leave here Friday morning, and will arrive in the old time state capital in plenty of time for the opening of the meet, which is scheduled to start at 8 o'clock in the evening.
Dawson Meets Mulkey at Sutherland Nert Saturday
Charlie Dawson, popular University of Oregon lightweight who lost a referee's decision in a close fight with Carl Miller at the Elks smoker here Friday night, fights again Saturday night.
His opponent will be Duhs Mulkey of Monmouth and the bout is to be staged at Sutherland. They will go eight rounds in a main event here.
Mulkey is a pretty fair scrapper, according to those who have seen him of late and who also knew him when he was attending the University of Oregon a few years ago, and the battle should be a sizzler.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS
Eat Less Meat if You Feel Backachy or Have Bladder Trouble.
No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.
The moment you feel a dull ache in the kidneys or some back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.
Jad Salts is inexpensive and cannot irritate; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
MOTHER!
Your Child's Bowels Need "California Fig Syrup"
Hurry Mother! A teaspoonful of "California Fig Syrup" now will thoroughly clean the little bowels and in a few hours you have a well-playful child again. Even a cross, feverish, constipated child loves its "fruity" taste and mothers can rest easy because it never fails to work all the sour bile and poisons right out of the stomach and bowels without griping or upsetting the child.
Tell your druggist you want only the genuine "California Fig Syrup" which has the directions for babies and children of all ages printed on bottle. Mother, you must say "California." Refuse any imitation.

IF SKIN BREAKS OUT IS FIERY, ITCHY OR ROUGH, USE SULPHUR. Just the moment you apply Sulphur to an itching, burning or out skin, the itching stops and begins, says a noted skin specialist, sulphur preparation, made into a hot, cold cream, gives such a quick relief to fiery eczema that nothing ever been found to take its place. Because of its germ destroying properties, it quickly subdues the itchy irritation and breaks the roughness up, leaving a clear, smooth place of oily eruptions, rash, pimples, etc. You do not have to wait for a ment. It quickly shows. You can't get a jar of Mentha-Sulphur at any store. Why send your rug waiting town? Let the EUGENE RU & PET CLEANING CO. do it. PET HEINE Industry, Phone 401. Insurance—Geo. N.
