## MRS. CAMPBELL AND MR. RORER WIN CUP

The mixed tournament for the Green Merrell cup was won by Mrs. Gale Campbell and C. D. Rorer at the Eugene Country club yesterday afternoon in one of the most intensely contested matches of its kind ever played on the local links. G. B. Scheffers and Mrs. Jack Pratt tied Mrs. Campbell and Mr. Rorer with a score of 52 on nine holes. The play continued to the tenth hole where the Campbell-Rorer team won, and will have their names engraved on the cup which they will have possession of for the next year.

Eleven foursomes or 25 teams competed in the tournament. Besides the players there was a large gathering of club members who were present at the open house during the day. In all members say it was the outdoor event of the season.

Interest in club matches was increased even more yesterday when a team composed of local lumbermen headed by Ralph Martin challenged any team which would be organized in any other class. Especially was the challenge aimed at the ladies and they are expected to be the first opponents. Teams are now being organized among the professional men, instructors and the University of Oregon students to try a round with the challenging lumbermen.

Salem has written the tournament committee that she will be ready to play the first leg of the inter-city tournament soon and it will probably be scheduled this month on the Eugene links. The following rounds will be played in Corvallis and Salem.
