CLUB IDEAS SHOULD BE PROMOTED IN TO THE SOCIETY EDITOR BETWEEN 10 A. M. AND 5 P. M.—TELEPHONE NUMBER 280

A card party for tonight at the Country club is on the program. Bridge will be the feature of the evening, and the indications are that there will be a large attendance.

Mrs. B. W. DeBusk gave a one o'clock luncheon today honoring Mrs. Samuel B. Harding of Minneapolis. Professor Harding is on the summer school staff of the University of Oregon, in the department of history.

Mrs. George DeBar is entertaining her sister, Mrs. Elizabeth Graves, who arrived last Monday and will remain to the middle of September.

Members of the Tourist club were entertained Monday night at the home of Mrs. Fred Young and enjoyed a porch supper during the evening. One of the former club members, added by her presence, pleasure to the meeting, Miss Elizabeth Graves of Los Angeles, who is visiting with her sister, Mrs. George De Bar.

Members of the Middy club gave a swimming party and picnic supper on the Willamette for the pleasure of Miss Mary Chambers and her fiancé, William John Brockelbank, Thursday night.

A very enjoyable picnic is being planned for all persons connected with the summer school, under the direction of Professor John Howard, to be held in Hendricks park Saturday night. Mrs. Edna Danson of Friendly Hall will furnish the supper. The Hiking club will enjoy a hike first, and there will be a program including stunts, which together with the good eats and a camp fire, are being looked forward to with a great deal of pleasure.

The Security Benefit association took in two new members Monday night. This closes the campaign, 23 members being added to the club, and five are on the waiting list. To Mrs. Mildred Blair is awarded the credit for obtaining the largest number of applications. Amelon feed and refreshments were served following the meeting which was held at the K. F. hall.

The College Crest Community club held a regular meeting at the club house Thursday afternoon. Mrs. Jess Derling, Mrs. Horton and Mrs. Jay were the hostesses for the afternoon. The ladies enjoyed the reading of "The Gleamers," following which light refreshments were served.

APIARY TOUR AND BEE MEETING SET

In an effort to promote the bee industry, which is vital to fruit raising, a "bee" tour has been arranged for Tuesday, July 23, when a public meeting and visit to leading apiaries will be held. Professor Scullen, bee expert of O. A. C., will be present on the tour.

Due to unfavorable weather for the last few winters and diseases among the bees the industry has dwindled to about half its former size in Lane county. The county fruit inspector and several other expert fruit culturists declare the scarcity of the bee has been directly responsible for the shortages in the cherry and other crops this year as there were no bees to sufficiently pollinate the blossoms.

The schedule of the tour is as follows: 8:00 a. m.—Assemble at county agricultural agent's office. 9:05 a. m.—12:30 p. m.—Visit nearby apiaries (a detailed schedule will be announced later). 12:30 p. m.—Return to Eugene for lunch. 1:30 p. m.—Meet in assembly room, Eugene Chamber of Commerce. Professor Scullen will discuss pertinent phases of bee culture. 3:30 p. m.—Additional visits if occasion demands.

HARVEST OF GRAIN STARTS IN COUNTY

Grain harvest is on in full blast over all parts of the county. Thousands of acres have been plowed and the first seeding machines to start operations in the new season in Irving. Small combines are operating on several farms north of Eugene.

Removal of State Bank Heads Sought

Seattle, July 21.—Immediate removal of John D. Duke, state supervisor of banking and Assistant Supervisor R. A. Langley, is demanded in a resolution sent to Governor Louis F. Hart today by the Depositors Protective association. This was one of several resolutions unanimously adopted at a meeting of 500 Scandinavian American bank depositors here last night.

"The county grand jury in its detailed report on the tax you all I think it knows about the results of their investigation of the defunct institution," declared former Judge Clay Allen.

BOARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends for their assistance and sympathy during our recent bereavement in the sickness and death of our beloved daughter, Vivian. MR. AND MRS. LEE SANDS.

PLACE ROGUE RIVER PEARS AT 1200 CASES

The Rogue river valley will produce between 1100 and 1200 carloads of pears this year, according to the first estimates of experts of the Southern Pacific railroad made public today. The clip railroad made public today. The orchards have been carefully gone over and it is estimated that the crop will be 25 or 30 per cent more than last year. Most of the crop is billed for the countries at Salem, Sacramento and San Francisco and it is expected to start moving on August 15. Plans to have a special switching train to spot empties and move loaded cars near the orchards have been made by the railroad.

The new Savage Rapids Irrigation project at Grants Pass and more individual irrigation projects near Medford are attributed as the real cause of more pear production this year.

Forest Fires Burning In Lake Creek Valley

Forest fires are burning in the Lake Creek valley several places and one or two of them are reported to have done considerable damage. A fire burned across the high pass road yesterday, cutting off travel over the pass, according to locally residents.

Another hot fire is burning a few miles east of Blackly and north of the low pass road about one mile. It threw up heavy sheets of flame last evening in the edge of heavy green timber. The fire has already burned over several hundred acres. A small fire burning in the vicinity of Bear Creek falls has been gotten under control by Warden Carl Orlesby and fire fighters of the Western Lane patrol association.

Kin of Commoner Lead In Politics. Lincoln, Neb., July 21.—William Jennings Bryan, militant anti-Darwinist, seems to have passed the banner of political leadership to brother Charlie and nephew Silas. Silas L. Bryan is democratic nominee for lieutenant-governor in Minnesota and his brother, C. W. Bryan, has been nominated as democratic candidate for governor of Nebraska.

Doctor Removes Bleat From Annoying Goat Portland, July 21.—When Portland fans gather next fall for the opening of another year of professional boxing, they no longer will have to give ear to the raucous and discordant cries of spectators manning the buckets and towels in the fighters' corners. Both managers and seconds handling fighters must be licensed, the boxing commission has decreed. If they do not comply with the rules, and obediently observe the "zone of quiet" back of their favored leather pusher, it's the referee for them, with their license left behind. The fans agree that it will be a relief. They pay to do the "bumping" and want to get their money's worth, they say.

SACRAMENTO BILL PASSED Washington, July 21.—The Senate today passed a bill reimbursing the state of Sacramento, Cal., for \$161,000 spent building the Sacramento-Water control project with the flood control project. Showanda, the choice of the senator.

Decree Will Silence Boxers' Assistants Portland, July 21.—When Portland fans gather next fall for the opening of another year of professional boxing, they no longer will have to give ear to the raucous and discordant cries of spectators manning the buckets and towels in the fighters' corners.
