MAY PICK GILBERT, STRIKER AS HIGHWAY AND BRIDGE BUILDERS

That Abe Gilbert, roadmaster of Clackamas county and formerly in charge of all rock crushers in Lane county, is slated to succeed Roadmaster Jack McKy, while Art Striker, an Oregon City contractor, will replace Bridge Superintendent J. W. McArthur, is the assertion of local friends of both men today. While Commissioner Emmett Sharp and Commissioner-elect Nels Roney are reticent about announcing any new employes until after the first of the year, friends of Gilbert and Striker declare the positions have been offered them and both will accept.

It is expected that road and bridge work will be reorganized by the new court as the commissioners have declared they intend to personally superintend these two departments. Just what the titles and exact capacities of Gilbert and Striker will have is not announced.

Gilbert is a practical road man. He was appointed in 1917 superintendent of county rock crushers and served for a number of years. Previously, he had been employed as foreman on many county road jobs. His friends declare Gilbert is prepared to get a "dollars' worth of construction for every one spent in building roads."

Striker, is a practical bridge contractor, and, while he is not an engineer, it is said he is fully qualified to look after bridge construction and repair in the county.

Bike Has No Light, Rider Is Fined $2.50

The first fine for riding a bicycle on the streets at night without a light was given Huron Payne this morning in municipal court. He paid $2.50. One reason the fine was levied, according to Judge King, was that Payne was riding a borrowed wheel without securing the consent of the owner. This practice, the judge declares, are responsible for a large number of wheel thefts reported; bicycles are borrowed and the owner, when he finds it gone, reports it as a theft unknowingly. In this way, much time is wasted by the police force.

Others brought in for riding without lights were dismissed, as follows: Harold Hill, Gerald Roberts and Charles Marlatt.

For speeding on Fifth avenue west R. F. Timmons paid $15 and for having no lights on his auto, G. W. Burres paid $2.

Almost a score of local families will be helped with clothing, shoes, toys for the children and articles such as bedclothes, cooking utensils, etc., through the office of the municipal police matron this Christmas season. Mrs. M. S. Ady, matron, today had 18 families checked off on her lists, and expects to relieve conditions in several more homes before the week ends.

Private donations of cash are being used by the matron in securing necessities that will help greatly in many cases. Mrs. Ady is working in co-operating with other relief organizations to guard against duplications of effort.

Theatres

"LADY BILLY"

An old Roumanian castle, a ghost, an echo, and a poor, but pretty little princess is the setting for the musical romance in which Henry W. Savage offers the prima donna comedienne, Mitzi, in her greatest success, "Lady Billy," by Zelda Sears and Harold Levey. It will be seen at the Heilig Tuesday, December 26 with the Broadway cast, singing ensemble and production. Reservations for seats should be made early.

"UNDER TWO FLAGS"

The characters are few but the impression is great, as though one had seen spectacle beauty in simple form; this is the feeling one has after seeing "Under Two Flags," the Universal-Jewel production at the Heilig theatre. Though the picture is not intended as a spectacle, but rather, a drama, great in its very simplicity, the splendor of sets, costuming and Algerian atmosphere, gives the spectator the same thrill one gets in "Foolish Wives." Priscilla Dean is the star, Ethel Grey Terry, Stuart Holmes and others support her under Tod Browning's direction.
