Our Plan

Applegate's plan of helping people have a better home is meeting with great popular favor. A large number are furnishing their homes complete but others find it better to furnish a room at a time. Perhaps it is the dining room that you want to furnish. We have an exceptionally large stock of sets that are most moderately priced. You find what you want here. And your credit is good.

Davenports

Overstuffed Davenports, Chairs and Rockers are becoming more popular than ever. The many styles, coverings and colors make it easy to select just what you want. Brilliant colors, striking designs and patterns also lend variety to our great stock of moderately priced overstuffed furniture.—Use your credit.

Bedroom Sets

We are especially proud of our showing of Bedroom Furniture. On the second floor are many styles; the prices are low. If it is only one article you want for this room you will find your choice in this department. Different sized sets permits you to pay as little or as much as you desire, and your credit is good.

Columbia Phonographs

You are missing a lot of joy in the home if you do not have music. Our easy terms have placed many Columbia Phonographs in homes in Lane county this fall. The Columbia's popularity is due to the fact that it produces clearer tones—like the artists themselves.

Wedgewood Ranges

If you really want to save money you will buy a Wedgewood Range. You save on first cost and you save every day the Range is used thereafter. Economical and efficient, the Wedgewood is guaranteed by the factory and by Applegate's.—Use your credit.
