### Savannah Quiet Under Military Government

Savannah, Ga., June 21.—Under control of a strict military government, Savannah was quiet today following rioting which one was killed. The clashes started Tuesday when a mob attempted to take a nigger arrested on charges of taking a white woman from custody from jail officials. Every road leading to the city is now

guarded by armed militiamen. Soldiers with fixed bayonets patrol the section around the jail. Temporary breastworks, surmounted by machine guns are in place.

Walter Lee, the accused nigger, was positively identified by his victim. He was picked by the woman from a group of a half dozen suspects.
