Bootleggers Lose Oregon Insurance

Salem, Ore., Nov. 21.—(U. P.)—Bootleggers carrying liquor into Oregon are deprived of insurance protection by a decree issued by Will Moore, state insurance commissioner.

Moore advises all insurance companies that their policies will be cancelled if they issue policies covering the confiscation of automobiles and freight, from persons engaged in transporting liquor. "Some companies have been entering into this business," said Moore. "This department does not intend to sanction a procedure which is so palpably calculated to protect those who deliberately set themselves up in defiance of the law."

The Old Reliable Family Remedy for Building Up the System, Nervous Affections, Insomnia, etc.

In this strenuous age, most people are afflicted with some form of nervous trouble. Hospitals are overflowing with men and women seeking to win back health of body and mind. If you are nervous, irritable, "jumpy," if your system is run down, if you feel that you may be on the verge of a nervous breakdown, read what P. J. Cole, of 628 S. Lambert Street, Brazil, Indiana, says:

"It would be hard for me to tell how much good I have received from the use of Dr. A. W. Chase's Tonic (nerve) Pills. I was so run down in health I could hardly go. I had no appetite. Could not sleep or rest. I was weak and so very nervous. I suffered some pain but the worst of my trouble was because I was so weak and easy to get tired the nervous condition was worse than the pain. I decided to use your Tonic (nerve) Pills. A few boxes restored me to perfect health. I can eat and sleep well. I have never found anything better for a run-down nervous condition."

You can buy these Tonic Pills at all Drug Stores to be sure of getting the genuine, see that portrait and signature of A. W. Chase, M. D., are on each box—your protection against imitations.

Vigorous Old Age

WHY separate youth and old age with a deep and everlasting abyss?

The bloom of youth and the hardy, ruddy glow of Old Age—sixteen and sixty—should be separated only by the span of years and not by varying differences of physical wholesomeness.

Vigorous old age is within the grasp of all. S. S. S. brings that hale and hearty feeling back with a rush. Rich red blood is the greatest enemy of weakening, health undermining Old Age. S. S. S. builds Red Blood Cells. Rich, red blood coursing through your veins sweeps away impurities that retard the proper functioning of your system. Old Age—once a dreaded agony becomes a vigorous, enjoyable, care free time of life.

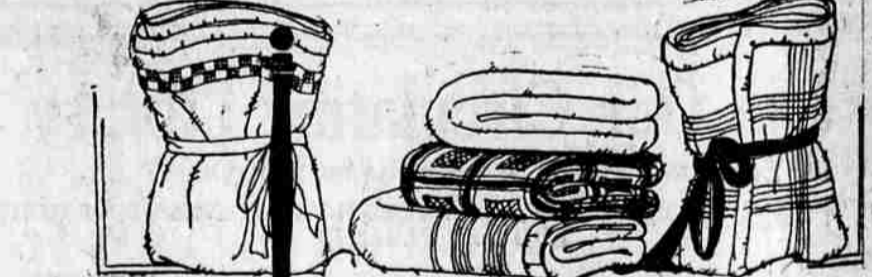

S. S. S. is made of carefully selected herbs and barks—scientifically prepared and proportioned. Welcome Old Age when it comes. Be ready to withstand the attacks of diseases that follow in its wake. Meet Old Age with a hearty handshake. A handshake that speaks of well being—of a vigorous, clear thinking, red blooded constitution. S. S. S. is your best friend when Old Age is seen rounding the corner. Get a bottle and drive care and worry away. All leading drug stores carry it.

The large size is the more economical.
