Book on the Tree

In addition to whatever else
you may give your boy or girl
this Christmas, hang a savings
account book at the First
National on the tree for him.There isn't a better way
known to teach a youngster
just how much a dollar really
is worth. Let him earn a lit-
tle money and encounter the V.
to put it away against the
time when there is something
he wants badly enough to use
his savings.They have quick little brains—
these children, and yours
will soon "get the idea."40 Years of
