

20% PRICE REDUCTION

You know that it is the desire and policy of The American Tobacco Co. to extend to its customers the maximum of service.

Reducing the price of a great favorite like Tuxedo—the moment it's possible—is our idea of delivering this service.

Two things have made this reduction possible:

1. A reduction in the cost of Kentucky Burley tobacco and in package materials.
2. The consolidation of three of our big plants into one. (Mr. Ford may not be in the tobacco business but he is right about consolidation.)

So that favorite pocket tin of fresh Tuxedo tobacco which has cost you fifteen cents or more for the last five years, is yours for just twelve. (12) cents from now on! Every package is—

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Here the hair loses its color and lustre, or falls it fades, turns gray, dull and lifeless. It is caused by a lack of sulphur in the hair. Our grand discovery made up a mixture of Sage Tea and Sulphur to keep hair locks dark and beautiful, and thousands of women and men who value that even hair, which is so attractive, use only this all-time recipe. As a remedy we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of Wyle's Sage and Sulphur Compound, which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just immerse your hair in the mixture, wash it and draw this through your hair, taking one small strand at a time. By moving the gray hair disappears; but what delights the ladies with Wyle's Sage and Sulphur Compound is that, besides beautifying darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
