Jack Dempsey Is 'Quite Friendly' in Film Beauty's Home

Los Angeles, Cal., May 21.—Unconfirmed reports are going the rounds in Hollywood film circles that Jack Dempsey, heavyweight champion, is in love—but not engaged.

Estelle Taylor, winsome film actress, according to reports, is declared to have admitted that she is very fond of Dempsey, but denied an engagement. When each of them was approached on the subject they referred the interviewer to the other for more details.

Both Miss Taylor and Dempsey are reported to be friends of long standing and the actress admitted Dempsey had been a frequent caller at her home.

Seattle Prosecutor Cleaning Up City

Seattle, Wash., May 21.—With the filing of 23 secret informations today, charging 41 different men and women with being jointists—a felony punishable by five years in the state penitentiary—Prosecuting Attorney Malcolm Douglas instituted the most wide-spread vice crusade that the city has witnessed for many years.

The informations were filed in superior court shortly before noon and warrants were placed immediately in the hands of the sheriff, who detailed six criminal deputies to devote their entire time to serving them.

Douglas insisted that today's informations are only a start in the campaign which he announced several months ago, during the session of the county grand jury, to rid the town of bootlegging and gambling.

Fight in House Is Narrowly Averted

Washington, May 21.—Excitement was occasioned in the house Tuesday by a near fistic encounter between Congressmen MacLafferty, republican of California, and Howard, democrat of Nebraska.

Howard was criticized by MacLafferty for offering objections to proceedure. Howard replied in a manner to which FacLafferty took exception and he rushed toward the Nebraskan. The latter rose to meet the charge but other congressmen intervened and the angered men were kept apart.

Stokes Hearing Is Again Postponed

Chicago, May 21.—Trial of W. E. D. Stokes, millionaire hotel owner of New York, who is charged with having conspired to injure his wife's reputation during the recent hearing of his divorce suit against her, was again postponed today when affidavits asserting Stokes was too ill to appear were introduced. The case was set for September 6.

TINY HARTRANFT WILL GO EAST TO REPRESENT U.

Stanford University, Cal., May 21.—Glenn "Tiny" Hartranft will be a member of the Stanford team sent east for the annual I. C. A. A. A. at Boston, May 30 and 31. The faculty committee, W. H. Barrow, director of athletics announced, had ruled Hartranft and Van Judah eligible, but found Sorie and Elliott ineligible. Fifteen men will make up the Cardinal squad, one of the strongest ever sent east.

To Stop Sale of Wine to Israelites

Portland, May 21.—(INS)—District Attorney Stanley Myers has ordered sales of wine stopped to people of Jewish congregations, except that actually needed for sacramental purposes in the churches.

The decision followed a conference called by the district attorney which was attended by the presidents of various Jewish congregations and a number of rabbis.

Unscrupulous men have flouted the law and sold quantities of wine intended for sacramental purposes, Myers announced in making his decision. The Volstead law allows each member of the congregation two gallons of wine a month he pointed out. By enforcing the state, which allows only such wine "as needed for sacramental purposes," the alleged "lead" in the prohibition law can be stopped, Myers believes.

Rabbis will assemble next week to determine what is a reasonable amount of wine for sacraments in the church.
