FRONTED WITH
MANY NEW CASES**

WASHINGTON, Oct. 13.—(AP)—The Supreme Court, which this week began its new term, extending into next week, is faced with an accumulation of 700 or 115 more than it found on its docket at the start of the term. The court is expected to reduce the number of cases by about one-half of the cases filed during the recess. It is not unusual for the court to be faced with such a backlog of cases. The court is expected to be busy for the remainder of the term.

**TO DARKEN HAIR
APPLY SAGE TEA**

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Weyth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.
