

### POINTS CAST FOR FORD COUPE MADE PUBLIC IN COUNT

Saturday was a real banner day for all candidates entered in the race for the several attractive prizes. All contestants profited mightily in the vote count as a result of their efforts last week, but it would seem that with a \$830 Coupe as an extra prize in addition to the grand capital prizes, that a real opportunity to make nearly a thousand dollars in five days would arouse considerable interest before the final fatal day, Oct. 25, at 10 o'clock p. m.

Just remember this one thought, while you are winning this special prize you are also increasing your total vote toward the grand prizes which are to be awarded in just a few short weeks. And furthermore, you are also receiving the maximum number of votes per subscription, which vote schedule continues only two more weeks after this special prize is awarded. NOW is your opportunity to win BIG.

### CANDIDATES WORK FOR LARGE GAINS

(Continued from page one)

desirable, that you can well afford to spend every possible minute on this election between now and October 25.

**First Period Most Over.**  
No person will be permitted to enter election headquarters at the Guard office after 10 o'clock p. m., October 25. But all persons who are in the office at that time or before will be waited on and have their subscriptions counted on the special prize campaign.

Subscriptions that are mailed, provided the envelopes bear a postmark from any postoffice not later than 10 o'clock October 25, will count just the same as if they were delivered personally to the campaign manager, though they may not be received at campaign headquarters before Monday.

**Bluffing Not Permitted.**  
Bluffing or the spreading of false rumors by contestants in an effort to discourage or bluff other contestants will not be tolerated and any found guilty of this practice will be disqualified at the direction of the management.

Some of the stories put out to date are so ridiculous and unbelievable that they should be mailed immediately. The Eugene Guard and the campaign management is going to see that such tactics are not used.

**New Candidates Can Win.**  
An absolutely new candidate can, by going at it in the right way now, establish himself or herself in the vote score to an extent that consistent effort will win.

Remember that the biggest vote offer of this short campaign comes to a close at 10 o'clock, November 10. Just a few more circuits of the hour hand and the opportunity of the big votes will never be repeated. In fact, the vote schedule after November 10 will be reduced—and three more material reductions will occur.

**This Is Your Last Chance.**  
November 10 is the final hour of the big vote schedule. It's going to be a mighty important time for the candidates who expect to be the big prize winners. And the way to get the prize you have set your mind on is to secure the largest number of votes. Now is the easiest time to get votes—subscriptions you obtain during the first period count the greatest number of votes.

Get the five-year subscriptions—they are the biggest in vote value. But don't pass up any one-year subscriptions either. They all count, and count big, these closing hours of the big votes.

Make a thorough canvass of your friends and acquaintances for a big first period finish—a winning finish.

### Four Cars of Hops Shipped From Here

Four carloads of hops were shipped out today from the E. B. Parks warehouse. The hops are consigned to the T. A. Lively company of Salem. One car was one of the 1923 crop and three cars were filled with the 1924 crop. About 1500 bales of hops still remain at the Parks warehouse and shipments are still coming in from the Lane county yards, Mr. Parks reports.

### Auto Is Recovered But Thieves Escape

The Ford coupe stolen from T. C. Luckey recently was recognized Sunday morning by Roy Stien and Robert Gibson returning to Eugene on the road from Irving. It was being driven by two youths, about 16 or 17 years old.

The Eugene men, on recognizing Luckey's Ford coupe turned and gave chase. A few miles down the road, the young men fled into a nearby field. The pursuers were unable to catch the youths, but drove the stolen automobile back to Eugene and delivered it to Mr. Luckey.

### Elliot Dexter to Be Campus Guest

Elliot Dexter, who is coming here tonight in "The Haven" at the Helix theatre, is to get a glimpse of college life again this evening when he will be a dinner guest at Hendricks hall at the University.

Mr. Dexter attended college in the east, and immediately after graduation he went on the stage. When moving pictures were assured of a permanent place in the art of drama, the actor devoted a large part of his time to this field. His interest, however, has always been with the spoken stage, he says.

At Hendricks hall Mr. Dexter will be brought back to his own college days with songs and stunts that are planned in his honor. After dinner he will exchange reminiscences with the students.

BETTER THAN CALOMEL Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." They "clear" your clouded brain and "perk up" the spirits. 15c and 30c.

### ANNUAL RUMMAGE SALE IS PLANNED

The Unitarian Women's Alliance will hold its annual rummage sale next Friday and Saturday, Oct. 24 and 25 in the vacant room on East Ninth avenue, which was formerly occupied by Laraway's music store.

It is recalled in connection with this event that the first rummage sale held in Oregon was in Portland in April-May, 1901, lasting for one week and closing with an auction of left-overs which was conducted by a professional auctioneer without pay. The week's enterprise netted the women over \$800. Donations were solicited through the press and by telephone. Attics, basements and closets were searched and a large store room was filled with articles which, though not made useful to others. A little remodeling and making over was all that was necessary, thus greatly helping many who did need.

Any one who can contribute to this week's sale, may do so by notifying Mrs. Frank Fay Baily, 1124 Perry street or telephone her 1252-L. Collections of goods will be made Wednesday, while any one fetching contributions, may do so any time before Thursday and leave with Mrs. Eddy.

### ARMISTICE PARADE PLANNED BY LEGION

Patriotic societies and American Legion posts in all parts of Lane county are expected to join with the Eugene legion post in the big patriotic parade and program planned for Armistice day, November 11, according to George E. Love, commander of the local legion post.

"Although only tentative plans have been made, we are planning a monster patriotic procession through the streets of Eugene," says Mr. Love, "in which all the patriotic organizations of the city, including the G. A. R., Foreign War Veterans, national guard and reserve units, Spanish War Veterans, American Legion, Boy Scouts and all other patriotic societies will take part. Appropriate music will be provided."

What form the general assembly will take, or the nature of the program to be provided for Armistice Day will not be decided until Thursday night's meeting of the Legion, at which time a discussion will take place, and a committee appointed to work out details of the celebration.

The meeting Thursday night will be known as "Food's Night" and every legionnaire will bring his father's business session and entertainment to follow. This will be the last regular session of the Legion before Armistice day, so George E. Love asks that all members come prepared with any original suggestions as to the form the celebration may take this year.

Liville charged with forgery was sentenced to three years on changing his plea to guilty. ### Youths Hold Hunt In City; Police Act

Eugene police are upon the trail of small boys who have been shooting promiscuously in the southwestern part of town, near the aviation field.

Sunday evening two lads were hunting Chinese pheasant when a stray bullet hit the front door of E. K. Eddie's home, 1039 Jefferson street. Fortunately no one was in front at the time and no injury was done, the missile going through the door and doing no damage other than leaving its mark. It was only a .22 calibre pellet but large enough to kill an adult, it is said. Two children were in the house at the time, and had they been playing near the door, injury and possible death might have resulted.

Several residents of this district have complained to police and the authorities are now on the lookout for young hunters.

### Deputy Reports 15 Hunters Arrested

Fifteen arrests have been made here for violations of the state game laws since the opening of the pheasant season, Oct. 15, according to the report of Rodney Roach, deputy state game warden who works in this district. Perry Stellmacher, deputy warden who has been in charge of the Oakridge district, is working with Mr. Roach. "Many non-residents who stop in Lane county on their automobile tours have been warned that a resident hunting license is required although no arrests have been made as yet," Mr. Roach states.

### Kellogg's Bran did more in two weeks than medicine taken in 20 years

Out of regard for your own health, read this letter:

Gentlemen:

Your "Krumbled Bran," used by me as a cereal, has done more for me in two weeks than the hundreds of dollars' worth of medicine I have taken in last twenty years for constipation. It is wonderful, and it is so simple. Yours truly, Arlington H. Carman, Patheque, N. Y.

Mr. Carman's experience has been duplicated in thousands of homes. Why does Kellogg's Bran succeed when drugs and pills fail? The answer is simple. Drugs have an unnatural effect upon the bowels. They irritate the intestines. The more they are used, the more one has to use. Finally, they have no effect at all.

\*Kellogg's Bran STIMULATES the

The wonderful, nut-like flavor of Kellogg's Bran is exclusive. It is delicious—totally unlike ordinary bran. Eat two table-spoonfuls daily, in chronic cases with every meal. Eat it with milk or cream and in the recipes on every package. Kellogg's Bran, cooked and krumbled, is made in Battle Creek. Sold by all grocers.
