

At the next election in Douglas county the county court will submit a proposal to vote a three-mill levy to construct a new court house. The levy will raise \$120,000.

The people of the Applegate valley want electric power and are discussing the practicability of extending the power line of the California-Oregon Power company to that section.

\$400 ROBBERY AT BOOTH-KELLY CAMP

Loss of \$400 in cash, four or five vouchers and one check for \$85 was reported to the sheriff's office here today by the Booth-Kelly Lumber company at camp 34 at Wendling. The bunk house where employees were sleeping was entered last night and the loss of the cash and vouchers was discovered this morning.

The Booth-Kelly offices here were advised of the robbery and have issued a warning to local merchants and others to be careful in cashing Booth-Kelly vouchers as the thieves may try to forge the orders and collect on them. Sheriff Frank E. Taylor left today for Wendling to investigate the robbery.

MIXED FOURSOME SET FOR SUNDAY

It will be "ladies' choice" at the Eugene Country club Sunday when feminine golfers will select their own partners for a two-ball mixed foursome. The play will begin promptly at 10:30 o'clock, it is announced.

Medal play will be used, and the handicap will be based on one-half the combined handicap of the men and women players.

DRUGS EXCITE THE KIDNEYS. DRINK WATER

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog, and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; you back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your physician examine your kidneys at least twice a year.

MOVING PICTURES

HEILIG—Monty Banks in "Racing Luck."
CASTLE—Hobart Bosworth in "Hearts of Oak."
REX—Dorothy Mackaill in "The Mine With the Iron Door."

A light story, with plenty of thrills and many laughs, and two more serious plays are offered at the Eugene theatres tonight.

At the Heilig is Monty Banks in "Racing Luck," his first big comedy production. The action is swift, as the name indicates, and the plot is replete with laughs and thrills. The picture has a special appeal to all auto owners and all interested in automobiles.

Hobart Bosworth, popular with Eugene fans, is at the Castle in "Hearts of Oak." It is a story of the sea, and Bosworth's part is one that is keenly fitted for his portrayal. The pictures will be at the Castle today and Saturday.

Harold Bell Wright's latest and most successful story, "The Mine With the Iron Door," is at the Rex. Further than that, Dorothy Mackaill is in the leading role, supported by Pat O'Malley, Mary Carr, Creighton Hale, Mitchell Lewis and others that go to make a big production successful. The picture was well taken at its showings Thursday, and bids fair to be one of the biggest attractions tonight and Saturday.
