

### ROLO DRAIN DIES, RESULT OF BURNS

Rolo Drain, 40, died last night at the Eugene hospital as a result of burns received at his home December 8, when a davenport upon which he was lying caught fire. He was a member of the firm of Sweet-Drain Auto company.

Funeral services will be held at the Veach chapel Sunday afternoon 2 o'clock, with the Masonic lodge in charge. Interment will be made temporarily in the mausoleum, and burial will be made later in the family plot at Drain.

Mr. Drain is a grandson of the late Charles Douglas Drain, founder of the town of Drain, Oregon, and had lived in Eugene more than 10 years. He was born in Drain April 9, 1885.

Although Mr. Drain was a registered pharmacist, he has been active in the garage business for 12 years in Eugene, forming a partnership with Mahlon Sweet, with whom he was still associated at the time of his death. His father was the late Charles Drain.

Mr. Drain was a member of the Masonic lodge, including the Shrine and Eastern Star, Benevolent and Protective Order of Elks and the Rotary club.

He is survived by a widow, Emma Drain, his mother, Mrs. Anna Drain of Drain, and two sisters, Mrs. Harry Black of Hood River and Mrs. L. H. Whipple of Roseburg.

### PERSONNEL OF OIL COMPANY CHANGED

Lining up his forces to make 1925 the greatest year in the 40-year history of the organization, C. W. Ralph, director of sales and transportation, has announced important changes in the sales personnel of the Union Oil company of California, it was learned here yesterday from C. L. Tostevm, Oregon manager.

J. M. Geary, formerly manager of refined oil sales, is appointed sales manager, with supervision over all sales of the company. E. S. Sharp, formerly district sales manager, Los Angeles district, is appointed manager of stations. Mr. Sharp's duties will include supervision over all properties and equipment of the sales department and all departmental matters, excepting those concerning actual sales. L. M. Bridgman, formerly district manager at Seattle, is appointed manager of refined oil sales, the post vacated by Mr. Geary.

Other changes include the appointment of H. F. Warner to district manager at Seattle; E. W. Brewster to district manager at Phoenix, replacing H. F. Warner; W. L. Matlock, to district sales manager at Los Angeles, replacing Sharp; M. W. McAfee to district sales manager at Fresno, replacing Matlock, and R. W. Martin to assistant to director of sales and transportation at Los Angeles.

Long service in the oil industry and exceptional work in their former duties have been rewarded by Mr. Ralph in his choice of the Union oil men who are starting the new year with added responsibilities. J. M. Geary, the newly appointed sales manager, has been with the Union for 17 years, having started in as a salesman in San Francisco in 1917. He later served as a salesman and assistant special agent at Seattle and returned to San Francisco for a year before being made district agent at Seattle and returned to San Francisco for a year before being made district sales manager at San Jose. In 1910 he was transferred to district sales manager at Los Angeles and two years later was taken into the main office as manager of refined oil sales—the position he has held until his present promotion.

### Spreading of Rock On Roads Started

Spreading of crushed rock on the territorial road from north of Cheshire to the High Pass is under way but the road is so badly cut up that it will be several days before the load limit of 200 pounds per inch of tire width can be lifted, is the report, today of Edwin Tudor, county road superintendent. The two other roads, Alvord and Ferguson from Ferguson to the Long Tom bridge are also being worked but these routes are in better condition, the superintendent states.

At their regular meeting Thursday members of Fortnightly club voted to give their annual gift of \$100 for the scholarship fund maintained by the State Federation of Women's clubs. Mrs. E. T. Dodge and Mrs. O. P. Stafford were hostesses for the meeting. In two weeks the club will meet for an "Oregon Products luncheon," at the Osburn hotel.

### TRAIN VICTIM IS IDENTIFIED TODAY

J. L. Blaud of Monett, Mo., was the man killed by a railroad train on Thursday between Walkers and Sagi-naw, according to a telegram received by Chief of Police W. G. Judkins this morning. The telegram was from E. A. Odwyer, chief of police of Monett, Mo.

The victim had a wife and children in Monett, and the family had formerly lived in Sedalia, Mo., the Missouri officer said. He wore a gray suit marked J. W. Finn in the inside coat pocket, and purchased in Sedalia. The victim was wearing this coat when the train hit him, according to the report of W. W. Braustetter. The body is being held awaiting instructions from the victim's wife.

### Angle Parking Bad Mr. Hulin Declares

EUGENE, Ore., Jan. 10.—(To The Guard).—You cannot be too highly commended for the position you have taken against Eugene's present angle parking system. I have read with much interest your several editorials that have appeared during the past few months relative to this abominable system that has given our city much unfavorable advertising during the past year.

While in southern California last summer I talked with many tourists who had just driven down from the north and often I had to listen to adverse criticism of Eugene because of the serious blunder made by last year's city council. I fall to see how Councilmen McCully, Monroe or anyone else can defend the angle parking system in a city with streets as narrow as they are here. Many other cities with like streets have tried it and abandoned it, but it seems that every city has to have its own experience before becoming convinced.

Councilman Hugh's plan as offered is sensible, practical and will compare favorably with the system adopted by nearly every well regulated city in California where from large experience the most practical and successful methods have been adopted. This angle parking system has no place in any city excepting where wide streets exist, in which case the method of parking in the middle of the street is the most successful, leaving either side clear for one way traffic. Let us hope that our present city council will not delay action in this matter.

Respectfully,  
L. G. HULIN.

### HATCHERY MARKS UP GOOD RECORD

A total of 9,039,121 trout eggs were handled from the McKemie river hatchery at Leaburg, according to the annual report compiled today by E. W. Goff, superintendent.

Rainbow trout eggs number 5,870,721; black spotted trout, 1,537,400; eastern brook, 1,125,000; steelhead, 500,000.

Trout eggs received this season numbered 3,064,200, Mr. Goff reports. Of this number, 1,284,000 Leaburg eggs came from McAllister, Mont., and 1,780,000 eastern brooks from the Fall River hatchery at Bend.

"This is about two million more trout eggs than we had here at this station at this time last year," said Mr. Goff. "The approaching season looks like it will be an unusually busy one."
