ELMER HENDERSON RESIGNS AS COACH OF TROJAN TEAMS

LOS ANGELES, Jan. 13.—Elmer C. Henderson, head football coach at the University of Southern California, has tendered his resignation and the same has been accepted, the Los Angeles Examiner says it has learned from semi-official sources.

Efforts are being made to get Knute Rockne, Notre Dame mentor to accept the position vacated by Henderson and Warren Bovard, comptroller at Southern California, and H. J. Stonier, secretary and treasurer, were in conference yesterday with Rockne at San Francisco, the Examiner says.

No official statement could be obtained from U. S. C. authorities. Graduate Manager Gwynn Wilson refused either to affirm or deny the report but said that within ten days a formal statement would be made.

SPORT BRIEFS

(By The Associated Press)

In order to avoid a recurrence of the Munn-Lewis match in which the former was accused of deliberately throwing his opponent out of the ring, rules have been drafted to govern the match in Chicago between Allen Eustace of Wakefield, Kan., and Stanislaus Zbyszko, former heavyweight champion. The rules provide for disqualification of the offender and awarding of the fall and match to the victim if either deliberately throws his opponent out of the ring.

Loafing and fraternizing on the field by players in Pacific Coast Baseball league clubs is forbidden in a resolution adopted at yesterday's meeting at Los Angeles of club owners and directors. The new ruling prohibits visiting of players of rival teams in front of the stands of bleachers or near the bench of either club and also bans players from conversing with fans during a game. Players failing to conform with the ruling will be fined $25.

Milton S. Patrick and D. M. Renton were elected directors of the Angel City Baseball association at yesterday's meeting at Washington park, Los Angeles. They were the only new appointments, all other officers of the board of directors being re-elected. William Wrigley was named chairman of the board, while J. H. Patrick will again fill the position of president of the Los Angeles Pacific Coast league club.

The Stanford basketball team will leave Palo Alto tomorrow to invade southern California. Games will be played Los Angeles against Pomona Friday night and against the University of California, southern branch, Saturday night.

Jack Britton, former welterweight champion of the world, will appear in a San Francisco ring next Friday night, it is announced by local promoters. His opponent has not yet been elected nor has it been determined what number of rounds the event will be.

An endurance bowling record of 73 consecutive games during 14 hours on the driveways made recently by Earl Smith of Lima, Ohio, has been disputed by Bill Gray of Vancouver, B. C. Gray claims that in January, 1914, he rolled continuously for 15½ hours, completing 120 games for a grand average of 189.80. He declared his highest game was 241 and the lowest 118.

IZZY TANNER WINS

PORTLAND, Ore., Jan. 13.—Izzy Tanner, St. Paul welterweight, won a ten-round decision here last night from Red Uhlan, of San Francisco. Joe Gorman and Benny Dotson, local lightweights, fought a ten round draw.

Cancer Treatment Is Announced in Russian Academy

LENINGRAD, Russia, Jan. 13.—(AP)—Dr. Molotkoff, professor in the Neurological academy here, announces the employment of a new method of treating cancer, which he claims will effect cures. The treatment consists of cutting the nerve leading directly to the cancerous growth.

According to Professor Molotkoff, the nerves play a vital part in all cases of cancer. At the academy of medical sciences he exhibited several patients who he said had been cured by the new method. The same treatment, he asserts, will also heal gangrene and inflammation of the marrow of the bones.

WORKMAN DIES OF DYNAMITE INJURY

Premature explosion of 12 sticks of dynamite resulted in the death of Charles Vanvandt, 43, employe of the Crooks and McGlavin Construction company near Oakridge, whose body was brought to Eugene yesterday afternoon.

The accident took place Saturday, it was announced.

The victim lived for a short time after the accident, although badly wounded. He had placed the 12 sticks of dynamite, it was reported, and another workman thinking he was clear of the explosion, threw the switch that set off the charge.

The body is at the Branstetter chapel and is being held awaiting word from the I. O. O. F. lodge of Forest City, Cal., of which Mr. Vanvandt was a member.

REAL ESTATE MAN DIES AT HOSPITAL

C. R. Mead, 59, died at the Pacific Christian hospital this morning. He was a well-known real estate man of Eugene, having been in business here for the last 23 years. His home was at 463 Fifth avenue west.

Besides his widow, Mrs. Vetta Mead, he is survived by the following children: Roy Mead and a daughter, Vina Mead of Eugene; Mrs. W. J. Darling and Mrs. T. A. Peters of Springfield and C. L. Rhoads of Enumclaw, Wash. He leaves two brothers, Leo Mead of Chicago, and M. M. Mead of Hillsboro.

Mr. Mead was a member of the Benevolent and Protective Order of Elks, the Eagles and the Woodmen of the World.

The body is at the Walker chapel in Springfield, and funeral arrangements will be announced later.

PHYSICAL LEADERS OF 'Y' TO GATHER

Physical directors of the 15 "Y" associations of Oregon, Washington and Idaho will hold their annual meeting at Seattle and Tacoma, Wash. February 1 to 3, according to word received by E. E. Holdeman, physical director of the Eugene association. Many leaders prominent in the physical program of the international association will be present for the three-day meeting, is the announcement. Plans will be taken up for several northwest tournaments to be held during the coming year and Eugene is expected to enter some of these especially the volleyball contests which were held at Portland last year, Mr. Holdeman said.

LEGISLATION WILL BE NECESSARY TO ALLOW FOR BONUS

STATEHOUSE, SALEM, Ore., Jan. 13.—Remedial legislation will be necessary to make effective the amendment to the soldiers' bonus law adopted by the session of 1923 and later approved by the people, extending, among other things, the benefits of the bonus act to Spanish war veterans, and to women who served in the World war in any branch of the army or navy of the United States or either of its allies.

Because of defective phraseology in a portion of the amendment reading "females employes of the war department who served in the signal corps of the army or marine corps, women who served with the marine corps are disqualified to receive the benefits of the act for the reason that the war department and the marine corps are separate and distinct branches of the government and an employe of the marine corps cannot also be an employe of the war department."

In another joker is found a discrimination against the ex-soldier who now applies for a cash bonus, as compared with ex-soldiers who applied prior to the amendment, in that under the amendment the applicant is entitled to only $255, while under the law as it originally stood $435 was allowed for the same maximum term of service. This came about by a change in the dates of service by which ex-soldiers are eligible for the bonus. Originally the law provided that the service of applicants should have been between April 6, 1917, and November 11, 1919. The amendment changes the latter date to November 11, 1918.

Persons who served in the navy or marine corps of the United States or its allies are deprived from any benefit of the bonus law, while those who were in the army of the United States or allies are entitled either to the cash bonus or the loan. This discrimination is due to errors.

Relatives of war veterans who have died since leaving the service also are deprived of the loan. Under the act as first passed these could secure loans but the amendment provides to answer only for relatives of those who actually died while in service.

One part of the amendment is found to extend both the bonus and the loan privileges to Spanish war veterans, while another section restricts them to loans only.

HOUSE ADJOURNS

STATEHOUSE, Salem, Ore., Jan. 13.—Veto measures written by Governor Walter M. Pierce after the legislative session of 1923 were read in the senate today and referred to committees.

In the house a few measures were introduced today, and bills introduced yesterday were read, after which the house adjourned until 2 p. m.

An unofficial poll taken of house members today showed 28 against ratification of child labor amendment of the federal constitution and 14 for ratification, three doubtful.

The unofficial poll taken this morning was as follows:

For the measure—Bailey, Bennett, Hall, Hamilton, Hazlett, Hurlburt, Lonergan, McCallister, Mott, North, Pierce, Shumway, Winslaw, Woodward.

Against the measure—Carkin, Coffey, Cromer, Fisher, Fitzmaurice, Ford, German, Gordon, Graham, Hesse, Howard, Hunter of Union, Kilham, Mann, Miller, Oakes, Reynolds, Roberts, Rushlight, Russell, Settlemier, Shelton, Shrock, Swan, Teegarden, Tom, Wheeler, Wilson.

Doubtful—Bates, Buchanan, Tucker.

A bill prepared by W. E. Crows, state corporation commissioner, designed to place teeth in the blue sky law and meet objections to the act frequently voiced by the public was introduced today by Senator Joseph. The amendment bill places stringent regulation upon dealers, brokers and agents operating under the act.

Privilege of filing affidavits of prejudice against circuit judges would be wiped out entirely by a bill introduced today by Senator Davis.

Dance Halls Hit.

STATEHOUSE, Salem, Ore. Jan. 13.—A stringent regulation of country dance halls would be enforced under house bill number 10 introduced by Swan, Linn county, in the house this morning. An applicant desiring to operate a dance hall in a non-incorporated community would be forced to present the signature of 12 members of his school district along with his application for license. He would also be compelled to post a bond of $500 with the county court.

House bill No. 12 introduced by Swan would make it mandatory for any woman drawn on the jury list being notified to serve notice within 15 days if she declined to serve.

Trapping or killing of beavers in all counties east of the Cascade mountains would be indefinitely prohibited by house bill No. 8, introduced by Ford of Grant and Harney counties.

IRRIGATION BILL UP

STATEHOUSE, Salem, Ore. Jan. 13.—Senator Davis, of Grant, Harney and Malheur counties and Representative Ivan E. Oakes of Ontario have agreed on an irrigation bill to make the state law conform to the report of the fact-finding committee and the federal act that was based on the report. The bill will be introduced by Senator Davis.

RAPIDS PROJECT FAVORED

STATEHOUSE, Salem, Ore., Jan 13.—Senate joint memorial number 1, by Senator Ritner and Representative Mann requests the Oregon delegation in congress to continue their efforts to obtain federal recognition of the Umatilla rapids project.

CONSOLIDATION WITHHELD

STATEHOUSE, Salem, Ore., Jan. 13.—If a joint resolution introduced by Senator Hall Monday prevails in the legislature there will be no effort made at this session to consolidate state offices and departments. The resolution calls for a special committee of one senator, two representatives and two members from the state at large to investigate the subject and report at the 1927 session. The president of the senate would appoint the senate member and one of the members from the state at large and all the others would be appointed by the speaker of the house. The committee would be authorized to subpoena witnesses or do anything else to fulfillment of the duties. It would serve without pay.

MR. TOOZE PLANS TO INTRODUCE AN INCOME TAX BILL

STATEHOUSE, SALEM, Ore., Jan. 13.—A state income tax bill is to be introduced by Senator Tooze of Clackamas. It will be called the property tax limitation act, on the theory that it will cut property taxes to a great degree and ultimately eliminate them.

The rates of taxation under the act range from a minimum of five per cent to a maximum of 25 per cent. The lowest exemption is $800 for single persons without dependents and the highest is $25,000. Exemptions for married persons are $200, for each dependent. For incomes above $25,000 the maximum of 25 per cent taxation applies. The measure provides a property offset or exemption for real property.

The tax would be imposed on all resident individuals, including trusts to persons unknown, with respect to the entire net income accruing to them within the state, but not outside the state.

SENATE ADJOURNS

STATEHOUSE, SALEM, Ore., Jan. 13.—The senate adjourned at 2 o'clock till 10 o'clock tomorrow morning. The legislature expects to adjourn Thursday noon until Monday. President Moser admonished the members to introduce all the bills possible before that time.

Attorney Cardwell Dies at Roseburg

ROSEBURG, Ore., Jan. 13.—Attorney William W. Cardwell, for many years one of the best known criminal lawyers of the state, died this afternoon after a long illness.

He was admitted to the Oregon bar in 1890. He practiced in Burns until 1892 then moved to medford where he lived until 1894, after which he moved to Roseburg, where he engaged in the practice of law until six years ago, when he retired. He served two sessions in the Oregon legislature as representative from Douglas county.

He leaves a widow, one son and one daughter. The funeral services will be held in Roseburg on Wednesday with interment at Jacksonville, Wednesday.

Delegation Plans To go to Meeting

About 60 boys from Lane county will attend the older boys conference of Southern Oregon to be held at Roseburg next Friday, Saturday and Sunday under the direction of the Y. M. C. A., according to W. P. Walter, boys' work secretary of the Eugene Y. M. C. A. who will be in charge of the group from here. Twenty-five to 30 boys from Eugene are expected to sign up for the convention trip, Mr. Walter said. Churches, clubs and Hi-Y groups will be represented in the delegation, is the announcement.

Carnival Queen to Be Voted This Week

Miss Audry Danner and Miss Virginia Gray are the two young ladies who will be candidates for the honor of Carnival queen at Santa Clara, as a result of the vote taken the first week, it was announced today. The voters will next be asked to select one of the two candidates.

The carnival will start Friday evening at 7:30 o'clock, and is sponsored by the Parent-Teacher association of Santa Clara. A lively program of attractions is being arranged by the committee in charge.

Justice Belt Gives Out First Opinion

SALEM, Ore., Jan. 13.—Justice Belt, new member of the supreme court, handed down his first opinion today. This was an affirmative of a decree of the late Judge Bingham of the lower court for Marion county, in the case of Frank Ewing, appellant against William R. E. Ryan, a suit for the specific performance of a contract in the conveyance of real property.

J. H. ROSS DIES

PENDLETON, Ore., Jan. 13.—J. H. Ross, a veteran of the Civil war, and who as a member of Company I, 98th Ohio volunteers, marched with Sherman to the sea, died this morning at his home here at the age of 81. Death was due to infirmities of old age.

PAGES APPOINTED

STATEHOUSE, SALEM, Ore., Jan. 13.—Two girls and one boy have been appointed pages in the house of representatives, Opal Hoskins, a high school girl of Stanfield, and Ruth Rudie of Salem are the girls. Charles M. Charlton, of Redmond, is the lone boy.

ADMINISTRATION IS HIT IN MEASURES OF STATE SOLONS

STATEHOUSE, SALEM, Ore., Jan. 13.—The first of a series of bills striking at the administration of Governor Pierce have made their appearance in the legislature. Senators Ritner and Taylor introduced a bill in the senate, abolishing the state market agent and Representative North introduced a bill in the house abolishing the same office and also that of prohibition commissioner.

Bills also are expected to be introduced merging the insurance and corporation departments with other state offices, and also transferring jurisdiction over the penitentiary to the state board of control.

The bill introduced in the senate also transfers the grain department, now under jurisdiction of the state market agent, to the public service commission where it was originally located.

Abolishment Asked

North's bill abolishes the two offices outright. North, however, does not expect his measures to pass. He has merely put them forth to bring about discussion.

With reference to the penitentiary, it is pointed out that it was originally under the board of control with the rest of the state institutions.

Originally the corporation department was under the secretary of state and a number of legislators now advocate that it should either be placed back under this official or transferred to the banking department.

House bill number three, introduced by Representative Bennett would tighten the parole laws of the state, pertaining to convicted first degree murderers. Under its provisions, the recommendation of the parole board to which a case may have been submitted by the governor, would be turned over to the supreme court for hearing.

Closer Supervision

House bill No. 4 introduced by Representative Ford would give the state highway commission closer supervision over the construction of market roads and also permit the expenditure of market road funds on state highways, with the specific exceptions of the Columbia River, Pacific and Old Oregon Trail highways. The measure would make it optional with the county courts or boards of county commissioners as to whether market road funds shall be expended on state highways.

Retail of fireworks would be generally prohibited under house bill No. 5, introduced by Representative Coffey of Multnomah.

ROTARIANS HEAR OF TELEGRAPH GROWTH

By means of high-speed transmitting and receiving telegraphic instruments a telegram sent from Eugene to New York City may be delivered in 18 minutes, J. A. McKevitt, manager of the Western Union Telegraph company told the Rotary club at its noon luncheon today.

Mr. McKevitt explained the duplex machine used by the larger telegraph stations by which eight messages may be sent over one wire at the same time, automatically received and automatically typewritten. He traced the history of the industry in America and mentioned more than 100 million telegrams are handled daily at the present time.

The radio will not affect the telegraph business, Mr. McKevitt said, because it is not private. Its big field is entertainment, the speaker declared.

R. A. Booth spoke in memory of Rolo Drain, who died Friday night.

The next luncheon of the club will be followed by a trip to the university school of music, it was announced, where John Stark Evans and John Landsbury will offer a pipe organ recital on the new instrument recently installed.

More than 30 Eugene Rotarians are planning to go to Portland Friday evening to hear the address by Everett Hill of Chicago, president of Rotary International, it has been announced.

Electrons Explained By Robert Millikan

PASADENA, Cal., Jan. 13.—Differentiation of positive and negative electrons was explained to an audience of laymen here last night by Dr. Robert A. Millikan, head of the California Institute of Technology and winner of the Noble prize in physics.

Using an electroscope, the lecturer showed how it is possible to pick off negative electrons with an arc light, or to boil them off by heating a metal or to knock them off by bombarding a surface. Negative electrons at 2,000 times lighter than positive electrons, he explained and are on the outside of atoms where it is easier to knock them off. The positive electron lurks in the center and stay out longer.

EQUIPMENT IS ADDED

Additional mechanical equipment including a new door and blind clamp is being installed at the plant of the Terrill-Voigt Planing mill of this city. This plant was organized here less than a year ago and has shown a good increase in business during that time, is the announcement. It was through the Eugene chamber of commerce that the new industry was established here.

AN OPERATION RECOMMENDED

Avoided by Taking Lydia E. Pinkham's Vegetable Compound

Los Angeles, Cal.—"I cannot give too much praise to Lydia E. Pinkham's Vegetable Compound for what it has done for me. My mother gave it to me when I was a girl 14 years old, and since then I have taken it when I feel run down or tired. I took it for three months before my two babies were born for I suffered with my back and had spells as if my heart was affected, and it helped me a lot. The doctors told me at one time that I would have to have an operation. I thought I would try 'Pinkham's,' as I call it, first. In two months I was all right and had no operation. I firmly believe 'Pinkham's' cured me. Every one who saw me after that remarked that I looked so well. I only have to take medicine occasionally, not but I always keep a couple of bottles by me. I recommend it to women who speak to me about their health. I have also used your Sanative Wash and like it very much." — Mrs. E. GOULD, 4000 East Side Boulevard, Los Angeles, Cal.

Many letters have been received from women who have been restored to health by Lydia E. Pinkham's Vegetable Compound after operations have been advised.
