Students Vaccinated

All but approximately 25 students at the University of Oregon who have been exposed to smallpox have been vaccinated, it is reported by health authorities on the campus. Those who have complied with the ruling of the state board of health comprise a small percentage of those who were in classes of which Miss Marion Norman was a member. Miss Norman is in Portland with the smallpox and beginning this morning all the 25 students who have not been vaccinated will be refused admittance to classes until they have submitted to the requirements. If they fail to be vaccinated soon, steps will be taken to have them quarantined. Letters were sent out to various fraternities yesterday telling them of the quarantine ruling, and informing them of the students in their organizations who have failed to report for vaccination.

Law Student Honored

A Gleamy Mass of Hair

35c "Danderine" does Wonders for Any Girl's Hair

Girls! Try this! When combing and dressing your hair, just moisten your hair-brush with a little "Danderine" and brush it through your hair. The effect is startling! You can do your hair up immediately and it will appear twice as thick and heavy—a mass of gleamy hair, sparkling with life and possessing that incomparable softness, freshness and luxuriance.

While beautifying the hair "Danderine" is also toning and stimulating each single hair to grow thick, long and strong. Hair stops falling out and dandruff disappears. Get a bottle of "Danderine" at any drug or toilet counter and just see how healthy and youthful your hair appears after this delightful, refreshing dressing.
