COTTAGE GROVE'S ARMORY PLAN IS MET WITH FAVOR

STATE HOUSE SALEM, Ore., Feb. 3.—A senate bill providing that all Indian war veterans regardless of whether they are veterans of Oregon Indian wars, shall be exempt from taxation up to $1,000 valuation, was passed by the senate today.

House bill 10, providing for more stringent regulation of the dance halls in non-incorporated centers was passed by the senate yesterday. Twelve residents of the school district in which a dance hall is to be located would have to sign the application of any person desiring to obtain an operating license. A five hundred dollar bond would be required.

Representative Mott of Astoria, a champion of the smaller fishermen of the state, threw down the challenge to the big salmon interest yesterday afternoon by introducing a measure to prohibit use of seines, fish wheels, traps and other fixed gear in the waters of Oregon.

The military affairs committee decided to recommend favorably on four proposed armory projects after hearing the pleas of delegations seeking appropriations. Those projects finding favor to date are: La Grande $40,000; Cottage Grove $30,000; Forest Grove $30,000 and Silverton $10,000. The latter sum is sought for completing the Silverton structure. Although strong pleas were set forth in favor of Astoria's request for an armory appropriation the committee felt it could not include it this year. The recommendations of the military affairs committee must now run the gauntlet of the joint ways and means committee.

CITY BREAKS EVEN ON YEAR'S BALANCE

The city of Eugene just about "broke even" on its income and expenses during 1924, it is shown by the analysis of the city's financial condition, by Arch J. Tourtellotte of Portland, certified public accountant. After all bills were paid an excess income over expenses of $1524.79, his analysis shows.

The two greatest items of income in 1924 were from taxes, $131,892, and interest on improvement liens, $12,104. The street and bridge department was the most costly, with $50,542.63, the interest on bonded indebtedness coming second, with $32,648.68.

Other items of income were: county road apportionment, $8000; fines, $6,411.60; building permits, $2,007.25; plumbing permits, $1,977.75; electrical permits, $1,459.20; house moving permits, $55; milk inspections, $541; dog licenses, $598; franchise taxes, $974.15; occupation licenses and permits, $728.15; paving cuts, $1,174.20; auto park revenues, $5324; rentals, $1899; departmental revenues, outside labor and material sales, $2,858.82; interest on bank balances, $1,389.13; interest on investment securities, $4,461.16; sale of lots, $624.75; miscellaneous income, $176.46.

Expense was divided as follows: administrative expense, $792; attorneys office, $2,138.85; recorder's office, $4,653.84; treasurer's office, $2,537.33; engineer's office, $5,707.10; fire department, $19,721.10; police department, $10,541.37; police matron, $1,600.46; parks general, $8,139.80; auto park, $5,509.43; health department, $1353; building inspector, $2,036.75; milk inspector, $523.25; city hall, $3,961.13; aviation field, $411.80; city pound, $360.65; sewer maintenance, $82.80; employment agency maintenance, $432; election expense, $649.70; legal notices, $538.75; interest on improvement bonds, $9,519.30; library maintenance and operation, $5,091.92; interest paid on warrants, $9,205.21; miscellaneous refunds, $10; miscellaneous warrant expenditures, $678.80.

Stage Driver Gets Speed on Highway

With the arrest of William Shumate near Creswell for exceeding the speed limit on the Pacific highway another stage driver is added to the list now being compiled by Melvin Turnbull, county traffic officer. Forty miles an hour is charged against Shumate who was at the wheel of a bus bound for Roseburg when halted by the road officer. Within the past few weeks there have been four or five stage drivers on the Pacific highway cited for smashing the speed laws.

REBUILDING WORK ON PHONE LEAD TO BE STARTED APR. 1

Reconstruction work on a portion of the Pacific Telegraph and Telephone company's Portland-San Francisco toll lead between Eugene and Roseburg will be started April 1, announces J. L. Bland, manager of the local telephone office.

"Thirty-two miles of this lead will be rebuilt at an expense of approximately $119,000," says Mr. Bland. "The section to be rebuilt is quite badly deteriorated and unsuitably located, due to power lines and highways.

"When the work is accomplished we will also be provided with two additional circuits between Eugene and Cottage Grove and one additional circuit between Cottage Grove and Roseburg."

Material used in the construction work will include 1000 poles, 2000 cross arms, 180 anchors and 610 miles of copper wire. The company expects to complete the project about December 31.

NO DEVELOPMENTS IN KIDNAP REPORT

Tales of the kidnapping of a university girl here yesterday afternoon by three men did not develop any further details today although a check on the cast is under way by Earl Luckey, deputy sheriff. The girl was not injured in any way and returned to her classes this morning. She denies emphatically that there had been any attempt to drug her.

Friends of the girl state that there was a scuffle in the car and her clothes were torn and she was forced to leave the car south of Cottage Grove. She walked back to Cottage Grove.

It is said that early in the afternoon she was forced into the car by three men while walking through the alley opposite the Methodist church between Willamette and Olive street. A crew of telephone men at work stringing telephone wires there all afternoon reported to the deputy sheriff today that they saw no signs of a kidnapping. A boy who was working on a car all afternoon in a barn in the alley also reported that he saw nothing of the attack on the girl. It is believed that the girl may have been mistaken in the location or time of the affair. It is not believed that there will be any arrests in the case.

Assault Case Set For Court Friday

Charging assault and battery a warrant was issued today against William Merkey, carpenter employed at the new Miner building. Merkey today pleaded not guilty to the charge and he will have a trial Friday morning at 10 o'clock. The warrant was sworn out by Charles L. Gay and it is said to have been the outcome of an altercation between the men a few days ago.

AMENDMENT OPPOSED

HARTFORD, Conn., Feb. 3.—The Connecticut state senate today, by a vote of 33 to 1 refused to ratify the proposed child labor amendment to the federal constitution. The amendment was immediately transmitted to the house under suspension of the rules.

FARMERS' RELIEF MEASURE PASSED BY STATE SOLONS

STATE HOUSE, SALEM, Ore., Feb. 3.—The farmers' relief bill, carrying an appropriation of $1,500,000, and amended by Senator Ritner in committee of the whole so as to extend its benefits to lessees of Indian-owned land, passed the senate yesterday afternoon by a unanimous vote. The measure had already passed the house and now goes to the governor for his signature.

The bill was designed primarily to relieve farmers in several eastern Oregon counties whose winter wheat crops have been destroyed by cold weather and who will have to re-seed their land. The $1,500,000 fund, which is appropriated to their use from the sinking fund of the state bonus and loan commission is to be loaned to them directly or through banks for the purchase of seed wheat for re-seeding purposes. Aside from the rate of appropriation the sum of $5,000 is appropriated to put the measure into effect.

VOLSTEAD LAW IS TO BE OPPOSED

NEW YORK, Feb. 3. — Nineteen democratic members of congress from New York have pledged their support to an organization formed last night to seek repeal of the Volstead act.

More than 1000 men and women attended the dinner at which the organization was formed. Resolutions for affiliation of the organization with the association against the prohibition amendment, were unanimously adopted.

In addition to the congressmen who expressed their support of the organization's purpose, United States Santor James W. Wadsworth of this state, sent to the organizers a letter in which he said:

"Judging from your description of the purpose of the dinner, I think I can say I am in general sympathy with them."

The movement is considered by its organizers as the most determined step yet taken toward the repeal of the Volstead act.

Leaders of the organization plan to begin without delay the forming of units in every congressional district in the country.

Springfield Men Have Close Escape

SPRINGFIELD, Ore., Feb. 3.—(Special)—E. W. Albers and Harrison Ebbe, two repair men at the local plant of the Mountain States Power company, narrowly escaped scalding yesterday when they entered boiler number 5 at the plant to make repairs, and neglected to shut the valves connecting the boiler with the common blow-off line.

While the two men were at work Fireman Richardson began operations to blow out part of the water in another boiler, in which the water was too high. Because of the valve connection of all boilers, the men in number 5 were fortunately at work in the upper drum. Had they been at work in a lower drum they would probably have been reached by more of the steam, and perhaps touched by scalding water before they could have climbed out or given the alarm.

TAX DELINQUENTS TROUBLE COUNTY

That the report of tax delinquency showing that 7.7 per cent is due on last year's assessment brings up again the need for some change in the law to avoid difficulties in finances of the county, is the opinion expressed today by Judge C. P. Barnard of the county court.

"We have to budget all expenses and income for the year but this tax delinquency always involves a big amount that is carried along and means that other items have to be trimmed to make the budget fit the return from taxes," the judge said.

Between $40,000 and $50,000 is carried along as delinquent each year, it is estimated. The school department has a law to provide for an increase over the budget of seven per cent to offset any drop in income as the result of delinquencies. This law should also be provided for other departments of county administration, the judge believes.

Although there is quite a delinquency in taxes it is far less than the majority of counties of the state. In fact Lane is very much better off financially as the debt of the county has been cleared about $100,000 in the past three to four years.

TELEPHONE SUPERVISOR

Tells of the Benefit Received by Taking Lydia E. Pinkham's Vegetable Compound

Leavenworth, Kansas.—"My work was long-distance operating and supervising, and I got into a very nervous state and was all run-down. I was easily annoyed at trifles, was extremely nervous and always had a tired feeling which made me awfully listless. Through a newspaper I learned of Lydia E. Pinkham's Vegetable Compound and thinking it would help me I tried it. It quieted my nerves, I was less annoyed and more lively. It took away that dragging feeling and improved my health in every way. I was able to continue my work with more vigor than before and I recommend the Vegetable Compound to all young girls. I am married now and have a big baby boy and am in the best of health. If I should ever have any trouble I'll take the Vegetable Compound again, for I know it will help me as it did before."—Mrs. O. W. THIEL, 925 Pawnee St., Leavenworth, Kansas.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles. For sale by druggists everywhere.
