

# OREGON READY TO MEET AGGIES FOR BASKET STRUGGLE

After a week of strenuous basketball practice, Coach Reinhart of the University basketball team, is hopeful that his proteges will more than hold their own against the Oregon Aggies at Corvallis Saturday.

Oregon, after six straight victories, lost to Washington last Saturday by a slim four-point margin, 29 to 33. The Aggies, on the other hand, are now some half-dozen games in a row, capping their climax with a one-sided victory over Washington last Saturday.

Saturday's game will be a crucial one in that it will decide which team will remain in the running for coast conference honors. The loser practically will be eliminated from the coast conference race.

Howard Hobson, stellar forward of the Webfooters, has regained his strength and again is holding down his position at forward. Hobson was ill last week and was not discharged from the hospital until Saturday afternoon. He played that night, but because of his weakened condition failed to gain his stride.

Okerberg, who was decidedly off color against Washington, missing several foul throws in a row, is due for a great comeback, as his work in practice all week has been as brilliant as in his early season performances. The Oregon team probably will line up as follows: Gowans and Hobson, forwards; Okerberg, center; Westergren and Gillenwater, guards. Jost, after his sensational showing against Washington, will undoubtedly get a chance against the Aggies.

## The Nutcracker

By JOE WILLIAMS

TIGER FLOWERS, recently rocked to sleep by Jack Delaney, has been rocked out six times during his career. We would say he was well named.

When Walter Johnson goes into the box he will have to use the slow motion stuff on his fast ball.

In tennis the outcome depends on the net results, as the statisticians would say.

Johanny Dundee says he left France hurriedly because of the serious illness of his mother-in-law. His excuse is at least original.

When Judge Landis quizzed Cozy Dolan he just couldn't remember a thing. Yet, in his day, Cozy was rated a smart ball player. Hardly speaks well for the profession.

Umpire "Ducky" Holmes, during his stay in the American league, failed to live up to his name. He stopped everything, including two right swings, that caused him to lose both decisions.

Despite the great success achieved by Paavo Nurmi in this country, the buttons are still on his vest and he hasn't had to change the size of his hat.

In basketball a forward is never successful if inclined to be backward.

The poor memory that the ball players connected with the scandal are feigning, explains some of the dumb baseball we have been forced to sit through.

Nick Altrock rises to remark that the daddy of all baseball terms is Pop Fly.

## If Kidneys Act Bad Take Salts

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and laggard. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headaches, dizziness; your stomach sour, tongue coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then not fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, can not injure and makes a delightful afternoon tea. It is a drink of soft water. By all means have your physician examine your kidneys at least twice a year.

# DISCIPLINE TO BE FOREWORD DURING FOOTBALL SEASON

Discipline will be the foreword of the Oregon football team, when the players turn out for first spring practice Monday afternoon, according to Richard S. Smith, new football coach, who addressed the Sport Writers' association of University of Oregon at a luncheon yesterday at the Anchorage. Smith stressed the necessity of discipline and adherence of strict training rules.

His first task, he said, would be to develop an efficient center and a reliable punter. Oregon had several punters last year, and while Louie Anderson was reliable, he did not attain distance.

The new mentor is of the opinion that the pivot man occupies the most important position on the team. Speed and accuracy in snapping the ball to the quarter is what makes a fast team, he said.

# BOSTON BRAVES TO BE STRENGTHENED FOR COMING YEAR

BOSTON, Feb. 5.—Manager Dave Bancroft of the Boston Braves will take the advance guard of the baseball squad, 16 pitchers and catchers, to St. Petersburg, Fla., Feb. 20, for the opening of the spring training season. The remainder of the squad will report March five.

A number of promising new players, among them Jimmy Welsh, an outfielder secured from Seattle of the Pacific Coast league, for players and cash said to amount to \$50,000, will be on hand. Welsh, a big, fast youngster hit for .342 last season.

Bill Cunningham and Casey Stengel, secured in the trade last year from the Giants; Leslie Mann, traded from Cincinnati; August Felix and Ray Powell, are the men looked to for the regular outfield service.

New pitchers include William Varga, considered by Dick Rudolph, pitching coach, as one of the team's best prospects.

Regulars on the pitching staff are Jesse Barnes, Harry Benton, Joseph Genewich, Topay McNamara, John Conroy and Rube Marquard.

The Braves will depend on the regulars, George O'Neil and Frank Gibson, for most of the catching. Three recruits will be given tryouts.

Of the regular infield of last year, McInnis will be at first, Manager Bancroft at shortstop, with Ernest Padgett and Bob Smith, alternating at third.

# Eastern Oregon Hospital Urged

STATE HOUSE, SALEM, Ore., Feb. 5.—Senator Jay H. Upton, Sade Ore. Dunbar and Grace Holmes last night urged before the ways and means committee for a tuberculosis hospital in eastern Oregon. It is estimated that the cost will be \$100,000, and if the state cannot afford to appropriate the money Senator Upton urged that a tax levy of one-tenth of a mill for two years be assessed for the purpose.

Dr. W. D. McNary of Pendleton, superintendent of the eastern Oregon hospital for the insane, appeared in behalf of that institution, and asked the committee to increase his per capita estimate from \$17 to \$17.50. He also asked an appropriation for the construction of a new wing at the hospital at a cost of \$223,000.

The soldiers' home request of \$83,430 has received the approval of the budget board.
