COUNTY WILL FACE COURT SUIT ON TAX FIGURES FOR YEAR

Claiming that the county tax levy exceeds the six per cent limitation set by the state law an injunction suit was filed yesterday by J. S. Hawley and S. W. Boyd of Cottage Grove. The assessment rolls were completed yesterday by Assessor Ben F. Keeney and the warrant of the county clerk to turn the rolls over to the sheriff was asked. After the filing of the suit by J. M. Williams, representing the plaintiffs, the issuing of the warrant was held up.

"I have no connection with the injunction suit filed and am not made a defendant therein and the action has nothing whatever to do with the office of the county assessor," Mr. Keeney states.

"I finished my year's work by the completion of the tax roll yesterday, having regularly done in connection therewith all that the law requires of me up to the point of applying to the county clerk for the warrant to attach to the roll for the collection of taxes, which in law it is contemplated the county clerk will provide the assessor on request. The county clerk declines to give me the warrant.

"I can see no gain to the county resulting from the refusal of the clerk to issue the warrant, for in the end, if there is any correction to be made, it will necessarily fall to the sheriff's office to make it. The assessor can not be required to do his work over in this case, wherein, if an error has been made, it was on the part of the county court," the assessor states.

COUNTY TAX ROLLS FOR YEAR ARE SET

Figures on the county taxes for 1924 as extended on the rolls were completed yesterday by Ben F. Keeney, county assessor. Of the total for the year the sum of $1,734.38 in personal taxes has been collected by the assessor leaving $1,702,865.55 to be collected by the sheriff.

SENATE CONFIRMS APPOINTMENT OF HARLAN F. STONE

WASHINGTON, Feb. 6.—Although the nomination of Attorney General Stone to be a supreme court justice was confirmed last night by the senate, Mr. Stone will be unable to take his place on the bench, until March 2, when the court convenes after its present recess.

Mr. Stone can qualify immediately, however, by taking a first oath of office. Should he pursue that course, Assistant Attorney General Donovan would become acting head of the department until the senate acts on the appointment of Charles D. Warren of Michigan to succeed the retiring attorney general.

Mr. Warren's nomination is now before the judiciary committee. The nomination probably will be given consideration next Monday.

The vote on Mr. Stone's nomination in the senate came after six hours of debate in open executive session, a somewhat unusual manner of considering executive appointments.

Two democrats, two republicans, and two farmer-labor senators voted against confirmation.

The racing prizes on the Kentucky turf last season totaled more than $1,500,000.
