

### TRIBUTE PAID TO ABRAHAM LINCOLN

A stirring tribute to Abraham Lincoln was paid by Judge Lawrence T. Harris in his address last night before the first annual banquet of the Lincoln club at the Osburn hotel. More than 150 republicans of Lane county were present.

"Lincoln's faith in the common man was a great factor in his success," the speaker declared. "He never lost faith in the common people. At all times he depended upon the sound judgment of the average American citizen. He knew that the mind of the average citizen is the mind of the nation."

Significant high-lights in the life of Lincoln were reviewed by Judge Harris, who expressed gratitude that he lived in a country in which a man, born with an inheritance of poverty, could rise to attain the highest honor in the land, and die, leaving a legacy of inestimable value in the record of his life.

Colonel J. M. Williams served as toastmaster during the banquet, which was opened with an invocation by Rev. Fred J. Clark, M. C. Harris, president of the club, explained its purpose, and Will G. Steel, organizer, related several stories of Lincoln's life.

Lincoln's address at Gettysburg was read by Mrs. A. D. Ingalls, and his favorite poem, "Oh, Why Should the Spirit of Lord Be Trained," was read by Mrs. Frank Jenkins. Delbert Moore, university of Oregon student, played a violin solo.

### JURY COMPLETED IN STOKES CASE

(Continued from page one)

the center of Chicago's red light district.

Stokes endeavored to prove that his wife had been the notorious "Red Helen" of Chicago's old tenderloin.

Mrs. Stokes will be the state's principal witness but late laws forbid that she testify against him.

In a telegram received by her private investigator, W. C. Dannenberg, here, she has said:

"El pillory W. E. D. Stokes in the eyes of a nation. I will make him suffer as he has made me suffer.

"Stokes is going to sweat blood under my legal lash whip. I shall show no mercy now."

Mrs. Stokes Given Income

At the last divorce hearing, Mrs. Stokes was awarded \$95,000 for attorney fees and the income for life on an absolute trust fund of \$800,000. The principal of this amount is to revert to her children at her death.

Dannenberg pictures Mrs. Stokes as the standard-bearer in the army of freedom for down-trodden and vilified womanhood.

"Thousands of women, wronged and made miserable by vicious husbands, have written her, urging that she prosecute Stokes," he says.

"They want her to make him the terrible example."

Mrs. Stokes is 37. Her husband is past 70. The couple were married in 1911. Stokes has one other son, W. E. D. Stokes, Jr., by a former marriage.

### Early Days are Recalled by Ride Up Oakridge Way

Recollections of the early days of Lane county before good roads and good transportation were so common as now were brought back to Sheriff Frank E. Taylor who arrived home last evening from Oakridge after a visit of several days. "Forty miles on horseback over a road that was so deep in mud that the horse had a difficult time keeping from being mired" is the sheriff's description of the trip.

Sheriff Taylor was on legal business at rail construction camp number 23, maintained by the Wrenn and Greenough company. Although work has been somewhat halted as a result of the winter weather, all camps are active in making preparations for grading work which will be undertaken as soon as weather permits, the sheriff said.

There is much snow on the hills in the Oakridge district and above but it has been turned into slush along the road, Sheriff Taylor states.

Transportation of supplies for the camp above rail head is by caterpillar tractors and trailers and these seem to be successful on the muddy roads, is the report.

### Cottage Grove Wins, 17 to 9

SPRINGFIELD, Feb. 13. — (Special).—The Cottage Grove high school basketball team won from the Springfield high team with a score of 17 to 9 in a game played in the local high school gymnasium at 8 o'clock last evening. McCargar of Cottage Grove was high point man, with 9 points to his credit, or as many as made by his five opponents. The Cottage Grove team displayed some clever passing, and made quite a number of long shots. The Springfield hoopers were not up to their usual game, and their playing was a bit ragged. Ben Davidson of West Springfield was referee.

### OREGON DEBATERS WIN CHAMPIONSHIP

University of Oregon debate teams scored two unanimous victories over their opponents in the Washington-Idaho-Oregon triangle debate last night, winning the tri-state championship.

Affirmative team, Benoit McCroskey and Ralph Bailey, won 3 to 0 over Idaho's negative team in Villard hall while the negative team, consisting of Sol Abramson and Lincoln Erwin, was defeating Washington's affirmative arguers at Seattle.

Question discussed was, "Resolved, That congress have power by a two-thirds vote to overrule supreme court decisions declaring acts of congress unconstitutional."

Dr. James H. Gilbert presided as chairman of the meet in Eugene. Judges were L. S. Shumaker and M. E. Bollen of Linfield college, McMinnville, and Fred Looney of the Oregon Journal.

### Eugene-Albany Game Postponed

The basketball game between Eugene high school and Albany scheduled for tomorrow night at Albany, was postponed until Monday night, because a debate will be held at Albany high tomorrow night, it was announced by Coach Leslie this morning. The Eugene team will leave the city at 4:30 o'clock Monday afternoon and will arrive in Albany just in time for the game.

Eugene high will play Corvallis high at Corvallis, February 20; Astoria high here, February 27, and Salem high here, March 6. Eugene leads in this district with four victories and one defeat. University high has won two and lost one game.

The Eugene lineup probably will be composed of Baily and Milligan, guards; Schrader, center; and Emmons and Coleman, forwards. All except Coleman will graduate in June. Baily and Milligan are the only letter-men on the team. Milligan was selected all-state center at the championship tournament held at Willamette university in 1924.

### 1000 WAR VETERANS AT COUNTY REUNION

Ex-service men numbering more than 1000 assembled at the armory last night and enjoyed four hours of entertainment consisting of band music, vaudeville acts, boxing bouts, dancing girls and ending with an army "feed" in the basement.

City and county officers were guests at the reunion, and state American legion officers from Portland and other posts were visitors. George E. Love, chairman of the committee on arrangements, acted as master of ceremonies, and "Frank" Minnerl, referee of the boxing bouts.

Fairmount troop No. 1, sponsored by the legion a year ago, was presented to Kenneth Ables, commander of the Eugene post, who presented the scouts who had served the full 12 months with a service star.

Bleachers about the armory were packed by ex-service men, and when the show opened members of the drum and bugle corps showered paper confetti on the spectators from the balcony. The Odd Fellows band furnished music intermittently throughout the entire program.

### AGGIE FORESTERS PLAN BIG CRUISE

Students in forestry at O. A. C. will assist the Cascade national forest in the preparation of maps and other data when they go to Fall Creek this spring for their annual "cruise" or forestry camp, reports Nelson F. Macduff, supervisor of the Cascade national forest, who has returned from Corvallis.

Mr. Macduff went to the agricultural college to confer with George W. Peavy, dean of the school of agriculture, with regard to the summer camp. The Cascade forest has a cabin already built at Fall creek, it was learned, and the cabin will be available for the student foresters' quarters.

The forest service will assign men to work with the Aggies. Nearly all instructors in forestry at O. A. C. will have had practical experience, and the work is expected to be intensely useful.

"We expect to get from the college students' cruise maps and cruising data of the same quality as our own," said Mr. Macduff. "The quantity may not be as much, but the quality is chiefly what we're after."
