

23 HOUSE BILLS ARE TAKEN UP IN MORNING SESSION

STATE HOUSE, SALEM, Feb. 17.—In another morning of steady grinding, the house disposed of twenty-three bills. All passed, except the measure calling for free or "loan" text books to be supplied by the state. The latter measure, house bill 236, was killed by a vote of 32 to 24.

Representatives Woodard and Graham were the principal speakers for the bill. Woodard declared that passage of the measure should have been referred to the people, and would save from 25 to 50 per cent a year to the people in cost of text books. It also maintained that it would cut down truancy around 10 per cent. California's books cost only 50c a year per pupil under the loan system, the books being owned by the state, he explained.

"The people kicking against the bill are chiefly those who don't have children and don't want school houses," declared Representative Graham of Washington county.

Representative Tucker, Linn county, also spoke for the bill. Representatives Swan, Hamilton, Fuller and German fought the measure.

The vote was as follows: For the bill—Ballew, Bates, Bratcher, Collier, Cowgill, Fisher, Graham, Hall, Hammond, Hazlett, Hercher, Hurlburt, Kilham, King, Kirkwood, Longman, Meindl, Mott, North, Pierce, Roberts, Rushlight, Shrock, Tucker, Winslow and Woodward.

Against the bill—Bennett, Buchanan, Carkin, Coffey, Cramer, Green, Maurice, Ford, Fuller, German, Hall, Hamilton, Howard, both Hunters, Mann, McCallister, Miller, Oakes, Potter, Randall, Reynolds, Russell, Suttleman, Shelton, Shunway, Swan, Teagarnt, Towner, Wheeler, Wilson and Burdick.

Among house bills passed were: 427, providing for potato grading; 428, permitting the increase from \$1800 to \$2700 a year in the salary of water masters in irrigation districts; 255, providing regulations for the use of spotlights and headlights on automobiles; 307, authorizing county courts to fix salaries of justices of the peace and requiring the latter to turn in all fees with an itemized statement to the county treasurer.

Y. M. C. A. DRIVE GETS UNDER WAY

Y. M. C. A. subscriptions totaling \$1,737.35 were reported by team captains at a luncheon for all campaign workers held this noon at the association building. Approximately 70 workers reported a total of 181 subscriptions. This amount represents nearly 14 per cent of the \$12,500 goal set for the week's work.

"Considering we didn't get started until 9:30 this morning, I think this is a wonderful showing," said W. W. Dillon, inter-state secretary of the Y. M. C. A., who is in charge of the campaign. "If we can just keep up the pace at which we have started I am certain we will achieve the full quota by the end of the week."

Individual reports showed close competition between the teams. The team captained by Mrs. Maudie Biscoe carried off first honors with 21.4 per cent of her quota subscribed. Twenty subscriptions were taken during the morning.

"SCOTTY" INE.

"Scotty," lead dog of Leonard Sappala's famous musher dog team is one of the heroes in the fight against the diphtheria epidemic raging in Nome, Alaska. "Scotty" led his pack over the frozen trails from Isaac Point to Golovin with the 300,000 units of anti-toxin needed to halt the epidemic. At Golovin, Sappala gave the serum to Musher Olsen, who carried it to Bluff, where Gunnar Kasson, another famous musher, relayed it sixty miles into Nome.

January is Jailed On Check Charges

Robert January, prisoner in the county jail on a check charge, declares February is an unlucky month for him, according to Eugene police. His bad luck started, they report, in Corvallis last week. On Friday, February 13, January passed a check for \$5 in Corvallis. Police broadcast his description, which preceded him to Eugene.

Last night at the Matlock hotel, January offered a check on the Bank of Commerce, according to the night clerk. Eugene patrolmen were summoned, and January was arrested at 10:30 o'clock.

WESTFIR GETS NEW RAILROAD STATION

The first passenger, freight and telegraph station to be added by the Southern Pacific on its westward line to Oakridge is now in operation at Westfir, announces L. L. Graham, district freight and passenger agent in Eugene. The new station was opened Monday for the first time.

Max J. Miller, relief agent of the Southern Pacific, is temporarily in charge, but will probably be replaced in a few weeks, it is stated.

Westfir is the location of the big Western Lumber company sawmill, which made the new station possible. The mill is not operating at full capacity, but will as soon as the weather clears up. Several hundred men will be employed when the mill is running full blast, it is stated.

A new telegraph wire has been strung to take care of the additional service on the line. Prior to this time the Westfir residents have had service only through Oakridge.

FINED ON LIQUOR CHARGE
"Pek" Adanson, arrested last night on a charge of liquor possession, was given a sentence of six months in the county jail and a fine of \$500 when he appeared before Justice of the Peace Harold J. Wells, today. Adanson when arrested by Van Sverdrup, chief deputy, and Earl Luck, deputy, was found in possession of 12 quarts of alleged "moon." Adanson is alleged to have been selling the liquor here, the county officers say.

Turn Hair Dark With Sage Tea

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also produces that soft texture and appearance of abundance which is so attractive.

SALEM, Ore., Feb. 17.—L. W. Peare, aged Coos county mountaineer, has been set for Wednesday morning, the supreme court to hold today in an opinion written by Justice Bell, affirming the conviction and sentence in Judge John C. Kendall's court at Coquille.

FREDERICK UPHAM OF CHICAGO DIES

PALM BEACH, Fla., Feb. 17.—Frederick W. Upham of Chicago, who directed the financial destinies of the republican party for two decades, died at his Palm Beach winter home Sunday afternoon, following a cerebral stroke suffered four days previous. He was 64 years old.

Funeral services will be held in Chicago probably on Friday, but the burial, it was reported, would be in Racine, Wis., Mr. Upham's boyhood home.

Mr. Upham, who in addition to his political activities was one of Chicago's leading industrialists, came here in November, hoping to recover his health, which had been failing for several years. Stricken last Wednesday, he rallied slightly until Saturday when a relapse came.

At Mr. Upham's side when he died were his wife, Mrs. Helen Upham and his brother-in-law and sister, Dr. and Mrs. Frank Eberhardt of Ripon, Wis. Mrs. Upham, accompanied by Chicago friends, will leave here today with the body, according to present plans.

THIS WOMAN'S REMARKABLE RECOVERY

Entirely Due to Lydia E. Pinkham's Vegetable Compound

Forest City, Iowa.—"My first child lived only a short time and I was sick for a year after. When I bent over and raised myself up again I could almost scream with pain in my back. One day I was so bad that I had to leave my washing and get ready to go to the doctor. He gave me medicine but it did no more good than if I drank just water. Once when we had been in town a little while I took about five bottles of the Vegetable Compound and I do all my household work and help with the milking and taking care of chickens and garden. Besides I have a fine baby girl eight months old, just the picture of health and I am feeling fine myself. You may see this letter as a testimonial and I use this letter as a testimonial about the Vegetable Compound."—Mrs. OSCAR F. BERGELIN, Route No. 5, Forest City, Iowa.

EXAMINATION HELD BY FEDERAL AGENT

Two aliens were admitted to American citizenship today at the examination held at the circuit court by R. W. Thomas of Seattle, United States naturalization examiner. Joseph Kirkham, native of England, and Niels Christian Blisbo, native of Denmark, were admitted.

COTTAGE GROVE'S ARMORY OPPOSED

STATE HOUSE, SALEM, Ore., Feb. 17.—At the meeting of the ways and means committee last night proposals were made by those state departments that the committee proposals shall pay 10 or 15 per cent of their receipts into the general fund of the state.

The committee last night backed a slice off the estimated needs of the Oregon national guard that will be ruinous, according to Adjutant General White. The general asked members of the committee after the meeting if he could make a second appearance. No promises were made him and Chairman Gordon of the house committee told White he was afraid it would serve him no purpose.

All requested appropriations for armories were turned down. This action affects Cottage Grove, Forest Grove, Astoria, LaGrande, Portland and Silverton.

Allowances by the committee include \$82,780 for the soldiers' home.

a marked falling off in the number of applications for American citizenship. This he attributes to the fact that a few years has cut down the number of new aliens and also the fact that during the war many aliens who were excluded from the country were naturalized without completing the full requirements. The effect of these causes is now being seen, the examiner states.
