ENTIRE SQUAD OF OREGON GRID MEN REPORT TO COACH

The entire University of Oregon football team reported to Coach Dick Smith for spring practice yesterday. Last week only the centers and punters turned out, and Coach Smith spent the whole week trying to develop dependable kickers and centers, who could think quickly and snap the ball speedily.

There are about 50 fighting for the 11 berths. There is a possibility that all who wis hto try out will be carried on the squad all year, if they are persistent and show any kind of ability.

Virgil Earl, athletic director, will assist in coaching the linemen for two more days. Wednesday night the executive council will meet to select a successor to Bart Spellman, line coach, who resigned last week, and the new appointee will take the burden off Mr. Earl's shoulders. Whatever the players learn from Mr. Earl, however, will be well worth remembering, as he has coached football teams at Washington high school in Portland for many years, and has produced more winners than any other high school coach in the state.

ALBANY DEFEATED BY EUGENE HIGH

Eugene high school's basketball team defeated Albany high at Albany last night, 27 to 17.

The game was slow, because of the "percentage" style of play used by the Hub city players. Because of a bad knee, Scott Milligan, Eugene forward, was out of the game. Coleman was used in his place, Schraeder playing jump center and guard on the floor after the tip-off, allowing Olson, who was mentioned in the lineup as a guard, to play center.

Eugene next clashes with Corvallis high at Corvallis next Friday night.

The summary:

Eugene 27		Albany 17
Emmons 5	F	Clinton
Coleman 11	F	Austin
Schraeder	C	Huston 14
Olson 7	G	Cox 3
Billy 2	G	Hayes 10
Barnes 2	S	Butts
	S	Goodman

SPORTLAFFS

THE name of Grange simply refuses to take a back seat in sport.

"Red" Grange, hero of Illinois, being unable to do any of his football stuff, develops a case of mumps and breaks into print.

Grange, always original, waited a long time to contract mumps. Most of us are so afflicted long before our junior year in college.

To vie with the United States on the Grange question, France has nominated Felix Grange to represent that country in the world's 18.2 billiard championship, scheduled for this month in New York.

The sensational Conti, French champion, has decided not to enter.

• • •

Grange is a former champion of France and was runner-up to Conti in last year's tournament.

• • •

Reports from Hot Springs state that Babe Ruth his first day out tipped the scales at 240, the heaviest he has ever weighed prior to spring training.

If the Babe would be sensible about his eating he would have no trouble to make 215 by the opening of the season. He weighed around that mark the season he swatted his 59 home runs.

The Babe sure does love to eat. His midnight luncheon is almost three meals for the average person.

Making the jump from St. Louis with the New York club one day last summer, I hopped off the train with Ruth at Decatur, Ill., where a brief stop is made for a change of engines.

Although Babe had eaten on the diner, he professed hunger, and made straight for the restaurant at the station.

• • •

Three "hot dog" sandwiches, three bottles of pop and a raisin pie were put away by the Babe during the short stay. He expressed regrets that it wasn't longer.

JOE I. JUDGE

Born—New York city, May 25, 1894. First baseman, Washington.

Major League Career — Sold to Washington in 1915 by Buffalo club of the International league. Reported sale price $3000 and two players. With Washington ever since.

Outstanding Feats—Batted .333 in 1920. Fielded .994 in 1924, tying with Pipp of the Yankees for premier honors.

Cod Liver Oil in Sugar Coated Tablets For Puny Kids

Forget the nasty tasting, stomach upsetting cod liver oil and give the thin, puny, underdeveloped children Scott's Cod Liver Oil Compound Tablets if you want to give them a good appetite and put pounds of good, healthy flesh on their bones.

Doctors know all about them and so does Linn Drug Co., W. A. Kuykendall, Carroll's Pharmacy, and all good pharmacists all over America, for they are in great demand, because they are not laggards but show results in a few days.

They are not expensive either—60 tablets—60 cents and children take them like candy.

A very sickly child, age 9, gained 12 pounds in seven months and is strong and healthy.

One skinny woman gained 9 pounds in 24 days.

Be sure to get McCoy's, the original and genuine Cod Liver Oil Compound Tablets.

Pole Vault Rivals to Meet For Ninth Time

Above, Brownell; below, Brooker.

Two old Big Ten rivals, Dean Brownell, Illinois, and Jim Brooker, Michigan, will probably meet for the ninth time in their favorite event—the pole vault—at the annual Illinois relay carnival, Feb. 28.

The pair rate as the pick of college vaulters and clear around 13 feet consistently. Brooker thus far has an edge on his arch enemy, having been victorious in five of their eight clashes.

The NUT CRACKER BY JOE WILLIAMS

By JOE WILLIAMS

IN addition to Mr. Kearns, it may now be said Mr. Dempsey has Estelle to support.

• • •

We suppose Miss Taylor agreed to take the champion for better or worse and yet he could hardly be any worse than he was the night he fought Bill Brennan.

• • •

If Mr. Dempsey is to become a successful Romeo he will have to do more clinching that he usually does in the ring.

• • •

Mr. Dempsey says this, his second marriage, will be his last. . . . In other words, it is a wind-up bout.

• • •

Not the least remarkable thing about the wedding was that no journalistic genius used this headline: "Champion Kayoed by Cupid."

• • •

We don't know whether Miss Taylor can cook or not. . . . It is fairly evident, however, that she has already cooked Harry Wills' goose.

• • •

Mr. Dempsey says he really does love to hang around the house. . . . Especially when the house aggregates $600,000.

• • •

Miss Taylor had to get a divorce to get Dempsey. . . . Gibbons and Wills are still wondering what they'll have to do to get him.

• • •

For the first time in his life Mr. Dempsey appears for an important engagement without his red sweater and butter-rubber whiskers.

Sport Tips

ACCORDING to the records there have been just five unassisted triple plays made in the major leagues. Three of them took place in the American.

• • • •

Paul Hines, playing with Providence back in 1878, is credited with the first three-ply killing. From that time up until the 1909 season no big leaguer succeeded in performing the feat.

• • •

On July 19, 1909, however, Neal Ball of Cleveland entered the hall of fame, followed by Bill Wambsganss, also of Cleveland, in 1920, and Ernest Padgett, Braves, and George Burns, Red Sox, in 1923. Wambsganss was the most notable, being executed in the world series with Brooklyn.

EUGENE SPORTSMEN TRAINING PUPPIES FOR FIELD TRIALS

Eugene sportsmen who purchased field dogs are now having their animals trained for the spring trials in Lebanon, announces W. R. Wallace, president of the Oregon Field Trials association. At least half a dozen puppies from Eugene will be entered in the puppy stakes at Lebanon, and four are signed up for the futurity stakes to be run in Eugene next September.

Sportsmen whose puppies are now being trained for the Lebanon trials are Isaac Newton, Dr. C. D. Donahue, Harold Hill, Clark Day, R. B. Brundage and W. R. Wallace. Those who are enrolled for the futurity are Dr. Donahue, Mr. Wallace and Mr. Hill. Mr. Hill is entered for two dogs.

"At the puppy stakes in Lebanon an amateur day will be scheduled," says Mr. Wallace. "At this time the owners will run their own dogs, and no puppies will be allowed in charge of a professional handler."

Isaac Newman is now training a group of dogs, and Walter McCornack is planning to open his new kennels at the aviation field in the next few days. Mr. McCornack will also train a bunch of dogs for local fanciers.

PORTLAND PLAYERS SIGN FOR SEASON

PORTLAND, Ore., Feb. 17.—President Thomas L. Turner of the Portland Baseball club was back here today from Philadelphia and gave out the list of players who had signed their contracts.

Practically all the tossers have signed or are as good as signed. The only real holdout is Shortstop Johnny Jones, who wants $1800 more than he received with Brooklyn last year.

The list of players who have signed follows:

Catchers—Crosby, Rowland, and Woodring.

Pitchers—Rachac, Hasty, Martin, Eckert, Yarrison and a young left hander named Artman.

First Baseman—Thomas.

Second baseman—McCann.

Shortstops—Hunnefield and Stutz.

Third basemen—Riconda and Comy.

Outfielders—Rawlins, Sherling, and Lewis.

The players who have not signed are:

Poole, Jones, Leverenz, Decatur, Burns, Winters, Pillette, Keef, Charlie High, Benton and Ray Rohwer.

Not all of these men can be classed as holdouts as several of them are expected to sign.

THE REFEREE

WHO was the first major leaguer to steal second base when that sack was occupied?—T. R. C.

John Anderson, playing with Washington against Baltimore, on June 14, 1890, was the first big league player to turn the trick.

• • •

Did Dan J. Kelly ever run the 100-yard dash in 93-5 seconds?—H. H. T.

Kelly is credited with having run the century event in that time on June 23, 1906.

Marketing to be Subject of Plan In Club Program

Lessons in marketing will be available for members of the boys and girls clubs of Lane county through co-operation of the agricultural committee of the Portland chamber of commerce and the extension service of the Oregon Agricultural college, according to word received by Arnold Collier, Lane county club leader.

The bankers associations will also aid in the marketing course and a series of contests is planned to be held on essay writing by the boys and girls. Each local club will hold a community contest before October 1; the bankers of the county with the school superintendent and extension workers will arrange a county contest before October 15; a district contest will be held before November 1. This district will comprise Lane, Linn, Benton, Lincoln, Coos and Curry counties.

It is planned to hold a state contest at Portland before December 1. Winners in the community contests will enter the county contests and the winners here will go to the district contest and district winners will enter the state contest, according to the program, which will be offered.

33 House Measures Are Passed in Day

STATE HOUSE, SALEM, Ore., Feb. 17.—Among 33 house bills passed late yesterday were:

House bill 300—Permitting Medford to take its water supply from Big Butte creek.

House bill 420—Providing for a refund of tax penalties for years 1921, 1922 and 1923, providing that the original amounts were paid prior to December 31, 1926, was killed.

The bill was designed to help farmers, who in some sections of the state are delinquent in taxes on account of poor crops or low prices. The bill, however, could make no special classification and took in all taxpayers.

STATE HOUSE, SALEM, Ore., Feb. 17.—Governor Pierce has signed eight bills, including: H. B. 186, Cramer, creating office of Josephine herd inspector. H. B. 266, game commission, creating state game reservation along Columbia river.

Work Under Way on New Coburg Bridge

Work has been started on the new bridge on the Coburg road north of the Ferry street bridge at the point where Charles Adler, Seattle salesman, met his death about six weeks ago when he stepped from his stalled car into the deep waters of the slough.

The new bridge will have a span of 20 feet and a width of 22 feet. It is expected that the road will be opened to traffic by Thursday, according to Clinton Hurd, county commissioner. The detour road now in use while the span work is in progress is reported to be in good condition.

HELD FOR INVESTIGATION

Harry Morrison, 25, is in the county jail held for investigation following his arrest on complaint of several local jewelry stores. It is alleged that Morrison negotiated the purchase of diamond rings in three stores and gave a different name in each transaction. No charge has been placed against him as yet.

STOLEN CAR FOUND

The Ford touring car of Alfred Hansen stolen here about a week ago has been abandoned at Redding, Cal., according to word received at the sheriff's office. The owner has left for the south to recover his car.

EUGENE ROTARIANS VISIT IN CORVALLIS

Eugene Rotarians who went to Corvallis Monday evening and attended a joint banquet and meeting held by members and their ladies of Salem, Corvallis and Eugene, returned declaring the occasion one of the most enjoyable and instructive in which they have participated.

The Salem club furnished the program, the feature of which was an address on business ethics and practice by Charles R. Archard, of that city. It was said by all the Rotarians who heard it to have been a wonderfully fine presentation of the subject which is to all Rotarians of greater interest than any other.

The Salem crowd also brought the De Molay quartet, George Dorsler as soloist and Dan Landenburg as song leader and pianist. Their music was one of the big program features.

Frank L. Riggs, district governor, came from Portland to attend the meeting, and told of plans for the district convention to be held in Portland next month. Roy Getz, of Corvallis Rotary, presided. Dr. Bill Johnson, its president, spoke briefly and left early. He said the new hotel at Corvallis would be opened early in May. R. O. Snelling was chairman for the Salem delegation. Those who spoke for the Eugene delegation, which was headed by Carl G. Washburne, president, were R. A. Booth, former district governor, and Father E. V. O'Hara. There were 26 Rotarians in the party from Eugene. The Salem delegation made the trip in a special train of a locomotive and one coach, which latter they completely filled.

The banquet was held in the woman's building at Corvallis, which was handsomely decorated for the occasion. There were flowers and candles in profusion on the tables.

COLLINS' BODY TO BE LEFT IN TOMB

(Continued from page one)

Magistrate Clay Turner, the acting coroner.

"Everything has been done that could have been done and man's ingenuity and modern machinery have failed," said Mr. Collins. No more lives should be sacrificed in further attempt to remove his body."

Dr. Hazlett came up the shaft at 12:20 p. m. and said he had identified Collins through a gold front tooth. He announced that Collins had been dead between three and five days when he was reached yesterday afternoon. Magistrate Turney said he had seen and recognized Collins and felt confident there was no way to remove the body without grave risk.

CAMP IS BROKEN

CAVE CITY, Ky., Feb. 17.—First steps towards dismantling the Cave cave rescue camp were taken at noon today. Half the canopy which had been stretched over the shaft and cave entrance to protect workers was removed. A specially constructed cradle in which Collins was to have been brought to the surface from the bottom of the shaft was taken apart and discarded. Tools which had been used about the mouth of the shaft were dumped in wheelbarrows and carted away to a designated spot. The wheelbarrows themselves were left beside the pile of tools.

SCHOOLS TO HAVE HOLIDAY MONDAY

Washington's birthday will be appropriately observed in all the schools of Eugene next Monday, it is announced by Joseph T. Glenn, city school superintendent. In all of the classrooms and schools the 1½ hour patriotic program will be held, as required by law, after which classes will be dismissed for the day.

The courses of study, particularly in English and history, correlate in February with the anniversaries of Lincoln's and Washington's birthdays, it is stated, the stories of the lives of these statesmen being woven into the regular school work.

A patriotic address by a Eugene speaker is being planned for the high school Monday morning, says David J. Jones, principal. The program will be patriotic, and will include four numbers by the high school orchestra, songs by the boys' quartet, a solo by Mr. Jones and mass singing of patriotic airs, led by Miss Leona Masters. The program is expected to last 1½ hours.

Get Back that lost weight

WHEN you start to waste away to a shadow, when the color leaves your cheeks and your poor, tired legs will hardly hold up your weakened body it's high time you started taking a fine tonic and builder like Tanlac.

Tanlac will build you up and make you feel that life's worth living. Made from roots, herbs and bark gathered from the four corners of the earth and compounded under the exclusive Tanlac formula, Tanlac is just what the poor, starved body needs.

First of all it cleanses the blood stream and puts the digestive organs in order. You find, after a few days' treatment, that you want to eat. Pretty soon the welcome color steals back into your cheeks and the scales tell you that you're gaining weight. From then on it's only a short time until you're feeling fit as a fiddle.

Millions of men and women have taken Tanlac with great benefit. More than one hundred thousand people have written us glowing tributes to this wonderful tonic.

When you know it has worked wonders for so many folks it's folly not to take advantage of Tanlac's help yourself. Don't put it off another day. Get a bottle at your druggist's now and start the good work right away.

First Bottle Brought Improvement
