

LANE COUNTY WILL DRAW FUNDS FROM FOREST LAND SALE

Lane county has received \$12,276.60 as part of its share of returns from grazing fees and sale of timber in the national forests during the past year, according to an announcement today of Miss Edna Ward, county treasurer. This amount is part of a total of \$16,502.14 for the year, the remainder will be distributed later, is the announcement.

This is the largest sum ever received by Lane county from this source of revenue, according to the county officials. Seventy-five per cent of the total is turned into the road funds and 25 per cent turned over to the school fund.

The total amount for the counties of the state from grazing and sale of timber in the national forests is \$178,943.78, according to the report received.

In the past \$4000 to \$6000 was considered a large return to the county from this government source of income, according to Miss Ward.

REVENUE BILLS OF STATE FOOTED UP

(Continued from page one)

avorably by the committee, together with one or two small estimated reversals total \$1,935,000.

Measures Listed.

They are as follows, the figures being the estimated proceeds for the next two years:

Contribution from fees received by various state activities, \$200,000; tax of ten per cent on cigarettes, cigars, and all tobacco and snuff, \$1,200,000; tax of ten per cent on cosmetics, \$100,000; repeal of quarter-mill road tax, \$285,000; tax on gross earnings of railroads and utilities, \$80,000. Repeal of battleship Oregon appropriation \$30,000; suspension of state aid for industrial accident commission, \$50,000; estimated reversion from Vale relief appropriation \$20,000.

Total \$1,635,000.

Added to the above is the state's available cash of \$5,084,981.90 which brings the grand total up to \$7,619,981.90.

Previously published appropriations and allowances totaled \$6,837,895.32. Since then, other appropriations have been added in the sum of \$133,390.41, making total appropriations and allowances to date \$6,971,285.73. This subtracted from \$7,619,981.90, leaves \$648,696.17.

Direct Levy Favored.

Some members of the ways and means committee still favor a direct tax levy on mill by the legislature so that the normal tax base under the six per cent to limitation may not be lacking next year and in the years to come. Governor Pierce appeared before the committee last night and emphatically objected to this, declaring that if the levy were made he probably would veto the bill. Those who believed in this means of raising another million—and possibly withdrawing some of the revenue bills already approved by the committee—will talk the question over with the governor today.

Frank H. Ward, representing the druggists, appeared before the committee last night and averred that it would cost the state 60 per cent of the tax on cosmetics to make the collection. In other words, of the estimate would have to pay \$60,000 to collect it.

Lumber Business Below Production During Past Week

One hundred and seventeen mills reporting to West Coast Lumbermen's association for the week ending February 14, manufactured 95,008,917 feet of lumber; sold 92,786,333 feet; and shipped 88,044,111 feet.

New business was three per cent below production. Shipments were 4 per cent below new business.

Forty-four per cent of all new business taken during the week was for future water delivery. This amounted to 40,030,880 feet, of which 27,700,441 feet was for domestic cargo delivery; and 13,230,439 feet export. New business by rail amounted to 1561 cars.

Thirty-seven per cent of the lumber shipments moved by water. This amounted to 32,830,658 feet, of

Forest Week Date For 1925 is Ready

"Forest protection week" will be observed from April 27 to May 3 this year, according to announcement received by local forest officials. The dates have been set by the organization of more than 100 national forest societies. Ex-governor Lowden of Illinois will be head of a national committee representing these societies in the supporting of the movement to save the forests. Details and suggestions of various programs for the observance of the week will soon be sent out, is the announcement.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs, colds, bronchitis, asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. Money refunded if any cough or cold, no matter how long standing, is not relieved after taking according to directions. Ask your druggist. Creomulsion Co., Atlanta, Ga. (Adv.)

SOCIETY AND WOMEN'S CLUBS

Club Items Should Be Phoned To the Society Editor Between 8:30 A. M. and 10 A. M. Telephone Number 1200

By MARIAN LOWRY

Evangeline chapter, Order of Eastern Star, is sponsoring a party in Masonic temple this evening.

The Amaranth Dancing club is to entertain at a dance in Eagles hall tomorrow evening.

A number of small theater parties are being planned for this evening for the presentation of "Spring Maid" of the Brandon Opera company at the Heilig.

The Alpha Xi Delta house was the scene of a pretty wedding yesterday afternoon when Miss Hattie Fletcher and Frank Shontz were married. The ceremony was performed at four-thirty o'clock. Miss Marjorie Thompson was bridesmaid, and Calvin Moran attended the bridegroom. Mrs. Shontz is a member of Alpha Xi Delta and Mr. Shontz is affiliated with Psi Sigma Pi. They left after the ceremony for Newport and plan to return to Eugene to make their home, until the fall when they will go to Portland

CLUB ENROLLMENT SHOWS LARGE GAIN

More than 300 members have been enrolled in the 30 clubs organized here this year under the direction of Arnold Collier, county club leader. Most of the clubs formed so far have been for girls interested in cooking and sewing. After March 1 the boys and girls clubs of Lane would have a display that would be the equal of any county in the state.

GRANGE PROGRAM FOR YEAR TALKED

Provisions for the establishment of a rock pile for the entertainment of Lane county prisoners will be favored by the Lane county Pomona grange, according to indications gathered from a group meeting of subordinate grange representatives with M. C. Glover, state overseer, and Mrs. Minnie E. Bond, state lecturer, at the chamber of commerce yesterday afternoon.

The grange representatives met for the purpose of outlining a program of projects for the year's grange work in Lane county.

Among the other recommendations of the group were:

That more interest be taken in the fire insurance of the grange.

That more attention be paid and more activity created in the juvenile grange.

That more publicity work be carried out for the grange, and that a grange department be created in the Eugene newspapers, if possible.

That agricultural education be furthered.

That the grange work toward the establishment of a rest cottage at the county fair grounds.

That the grangers be more active in providing for the betterment of their communities, and not work just for the grange.

That a committee from the grange co-operate with the Lane county court in working out agricultural projects in the county.

BRANDON COMPANY OPENS AT HEILIG

Old time favorite in the ranks of light opera, "The Bohemian Girl," presented by the Brandon Opera company at the Heilig last night, retained its place in the hearts of the audience by its lilting melodies and colorful scenes. In spite of the fact that several members of the company had colds, the leading roles were admirably played and the songs well presented.

To Theo Pennington, as the Gypsy maid, who was in reality the daughter of a count, goes the credit for a lovely voice, grace and beauty. Her voice is strong, clear and mellow and her solo "I Dreamt That I Dwelt in Marble Halls," instantly won over her audience. However one feels that it is a voice too powerful for a small theater; it requires a larger place to display to an advantage such a range of tone and quality.

Another part well portrayed was that of the father of the girl, Count Arnsheim, played by Carl Bundschu whose anguished was splendid. His solo "The Heart Bowed Down" when he sat alone in the great hall, mourning the loss of his daughter, was heartily applauded.

Harry Pfeil who took the part of Thaddeus, a young Polish nobleman traveling with the band of gypsies to escape capture by the Austrians and because of his love of the Gypsy girl, was well suited to the role, and the gypsy queen, Jealous of Thaddeus' love for the young kidnapped countess, sang her part vividly. The latter was played by Margaret Jenkinson, who sang before the assembly of the University of Oregon in the Woman's building yesterday.

The character part of Devilshoof, the chief of the gypsy tribe, cannot be left unmentioned, for it was strongly portrayed by Ed Andrews, said to be the oldest opera singer in the county.

Two songs that were popular were "Remember Me," sung by Thaddeus to his sweetheart and "Happy and Light of Heart" by the company.

The chorus throughout was excellent, and enthusiastically praised by all.

This was the first offering of the Brandon company which is to play here for two more days, and the following performances will probably be even better presented. The "Spring Maid" which will be played this evening is a type of play more suitable for the voices of the company and will be one of the outstanding numbers. "The Mikado" and "Robin Hood" to be given tomorrow afternoon and evening are always popular with the public, and are being anticipated.

Albert Spalding to Appear in Concert

Albert Spalding, greatest of American violin artists, will appear in concert in Eugene at the Methodist church next Tuesday evening.

Mr. Spalding is bringing a repertoire of music that ranges from old time songs to the magnificent Respighi concerto, with which he attained undying fame in France last year. His concert is the second of a series of world noted artists being brought to Eugene by the University of Oregon.

Albert Spalding will be remembered for his service with the A. E. F. during the World war. He hesitated not a moment to lay aside the violin for the bayonet, and for distinguished service in action was awarded the cross of the Crown of Italy.

Willamette Beaten By Oregon Debaters

Co-ed debaters of the University of Oregon defeated the Willamette university team last night by a two-to-one decision of the judges.

Oregon Agricultural college's team of women debaters defeated Oregon by a decision of 3 to 0 at Corvallis.

The question was: "Resolved, that the present immigration limit law should be amended to admit Japanese on the quota basis."

The Oregon team, consisting of Miss Beatrice Mason and Miss Mildred Bateman, upheld the affirmative side of the question. Judges were H. H. Herman and Tom Staveley of Portland, and O. W. Hayes of Cottage Grove.

Coast Air Mail to Operate, is Report

That the Pacific coast air mail route which has been more or less discussed for the past two or three years has taken on a more definite aspect is indicated by word received here from Sacramento that that city is being considered as a division point by the post authorities. Eugene is slated for a station on the proposed line which will operate between Seattle and San Diego. Other division points that are contemplated in the plans are at Medford, Stockton, Fresno, Bakersfield and Los Angeles.

The Table Supply SCORES

Another Innovation

TABLE SUPPLY MAYONNAISE

We have just installed our new mayonnaise machine. Now we make our own mayonnaise bearing our name.

Rich, creamy, velvety, full body, and a flavor that is elusively, piquantly teasing. You'll say it is the best mayonnaise you ever tasted, and you won't miss it far.

Pure, fresh ingredients blended in a sanitary, modern mixer that we have just installed. There is no metallic taste—this is an important factor. It has that rich, creamy taste that makes it superior. There is nothing in its ingredients—which are always of the very best—nor in its making that mars its deliciousness.

With the installation of this mayonnaise mixer you will be able to get fresh Table Supply Mayonnaise and Thousand Island every day and in any quantity. This is service you can't get every place—only in cities many times the size of Eugene.

People who like mayonnaise, and who eat quite a bit of it, will rejoice at this announcement, because it is better than that made at home for it is prepared right, and besides, you save all that time you waste or use making it.

We invite the public to see us make Table Supply Mayonnaise, and we ask you to watch for other foods in the mayonnaise family that we will add from time to time.
