

THE SHORTER, THE BETTER

says PEGGY PAIGE IN DISCUSSING THIS ALL-IMPORTANT MATTER OF SKIRTS

Skirts, this Spring, are thoughtfully coming such things as feet and flutes. They're far above such mundane matters—at least four or five inches above them, over here. And in gay Paris, they rise to even greater heights—sometimes, inches, to be exact.

This new "Peggy Paige" frock just unpacked. See it displayed Monday on the second floor.

Oakridge Has Spring—Spring-like weather is prevalent in that district here today. Although they admit that spring is not actually there they declare that it is well around the corner as the grass is just up and there are as many flowers budding there as there are in the valley. "Many days when the fog covered the valley we had bright sunshine in the Oakridge area," is the statement of one enthusiastic citizen of the railroad boom town.

Demurrer is Filed—S. M. Calkins, city attorney, today filed a demurrer in the case of S. P. Ness against the city of Eugene. The plaintiff does not state sufficient cause for an action, the demurrer states. Mr. Ness recently filed suit against the city charging that his property on Orchard street had been damaged to the extent of \$500 when the city put in a new sidewalk on a different grade, lower than the house and lawn.

Trees To Be Trimmed—Enforcement of the city ordinance to the effect that branches of trees along sidewalks must not hang lower than 10 feet above the surface of the walk is announced by Mayor E. B. Parks. If property owners do not comply with the law after they are warned a man will be sent out to trim the trees and the costs assessed against the property, says the mayor.

Gordon of the First National bank will give an address on "Suggestions for Handling Our Finances." Following the lecture and business session there will be a social hour.

Stroud Gets Verdict—A verdict of \$5000 in favor of the plaintiff was returned Saturday night in the case of H. H. Stroud against the Oregon Pacific and Eastern railway. Mr. Stroud sued for \$50,000.

Drink Water If Back Or Kidneys Hurt

Too much food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night. To help neutralize these irritating acids and flush out the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been estimated to slough kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent kidney and bladder disorders. By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.

Instructor is Named—Milton J. Hunt Jr. will take the place of James A. Miller, instructor in the law school of the University of Oregon, who has received leave of absence for the remainder of this year and for next year because of ill health.

Few Folks Have Gray Hair Now

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautiful darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
