hawk road near Mabel will be under way soon and the county crusher has been installed near Mabel and it is expected to be in operation within the next three or four days, according to Edwin Tuller, county road superintendent. The clearing of the right-of-way is under way now.

Guardsmen to Meet—A non-commissioned officers' school will be held at the armory this evening in preparation for the annual federal inspection to be held March 10. Instruction in "paper work" and the preparation of the office records for the federal army officers inspection is planned.

Mining Claim is Sold—The Smuggler mining claim in the Babonia field of southern Lane county has been sold by O. L. and Mary Nelson to the Cosmos Investment company which owns several claims in that area. The transfer of the claim has been recorded at the office of the county clerk.

Divorce is Filed—Elma T. LeVan filed suit for divorce in circuit court today from her husband Donald E. LeVan. The plaintiff charges cruel and inhuman treatment. The couple were married February 17, 1917 and have no children or property interests in common, the complaint states.

Dentists to Have Clinic—A party of about 15 local dentists, affiliated with the Southern Willamette Dental society, will go to Portland for the clinic to be held there next Saturday evening for the Portland Dental society. The clinic will be in charge of a committee of Eugene dentists.

Grangers to Meet—Swiss home grangers will hold a meeting in their community hall Monday, March 9. It was announced yesterday by William W. Wilbur, lecturer of the Deadwood grange. Mr. Wilbur has arranged for an address by O. S. Fletcher, county agent.

Meeting Tomorrow—All Royal Neighbors are to meet tomorrow night at which time the Marcola camp has been invited to put on degree work. All members of the Eugene camp are requested to bring a covered dish and a half dozen sandwiches for the supper to follow the regular meeting.

Leonard Lerwill Here—Leonard Lerwill, graduate of the University of Oregon school of journalism who for the past few weeks has been in charge of the Cottage Grove Sentinel during the absence of Elbert Bede, was here today on his way to his home at Brownsville.

Program Being Prepared—The program for the annual meeting of the Oregon State Bankers' association which will be held at Corvallis June 11 to 13 is being prepared, according to C. D. Rorer, president of the Bank of Commerce and also president of the state association.

Here From Portland—Mr. and Mrs. Julius Schmidt of Portland are here for a few days. Mrs. Schmidt is the aunt of Webster Tyler, five year old boy, who was injured when struck by a car on the Pacific highway yesterday afternoon.

Returning From South—Dr. T. W. Harris of this city who has been visiting at Los Angeles for the past few weeks is expected to return here within the next week, according to word received from him today.

(Continued from page one)

at A. M. according to P. M. Morris, county engineer, who has returned after inspecting the span. A request had been made to the county court for use of the county span in hauling lumber by the company but the court placed a load limit on the structure owing to the fact that the span is not strong enough to sustain loads beyond five tons.

Market is Incorporated—Articles of incorporation of the Palouse market have been filed with the secretary of state by W. R. Lord, Cary Myers and W. W. Green. The firm which was recently organized here has a capital of \$5000.

Blacksmith in Explosion—An exploding gasoline drum yesterday afternoon blew Joseph Franwa, blacksmith's hat off, but did not

injure him badly. He was burned about the hands, and tiny particles of steel imbedded in his face. Mr. Franwa was burning off the drum head of the gas tank with a blow torch, and the gasoline vapors caught inside the tank exploded.

Shovel is Mired—Considerable difficulty has been experienced this week with the new steam shovel that is at work grading for the new railroad line to the Chambers sawmill near Cottage Grove. Work on the grading was started this week and the moving of the big steam shovel over the soft ground has been a hard task, according to those who have watched the operations.
